

**Note:** Little Prairie's Nutrition Policy closely adheres to the School District Policy and Regulation.

1. School policy governing the sale and distribution of food items during school events will be based on nutrition guidelines and information available from the Northern Health Authority and the Province of British Columbia.
2. Little Prairie will provide educational programs for students that promote health and nutrition. All food and beverages sold and distributed will be reflective of nutrition education.
3. Little Prairie's Nutrition Policy will reflect the food selection chart provided by the Northern Health Authority.
4. Little Prairie will promote the serving of foods from the "serve most" and "serve sometimes" lists.
5. Pricing of healthy food choices will be favorable.
