FROM THE PAC NEW HOT LUNCH PROGRAM

September 9th 2019

Welcome back! The new school year has started and that means making lunches for the kids again! This year the PAC has decided to use a new hot lunch program that is hopefully simple and easy to use for everyone. The new program is called Munchalunch.

So the way it works is, you go to the website provided below, create a new account and you just follow the rest of the prompts. You will need to know the grade and teacher of your child to put them into the program. Then you go to Order Lunch, and go from there. You will notice that you can order starting Oct 4th until Dec 20th. You can decide to order 1 month at a time or for all 3 months at once. But when you place your order, you must pay 14 days before the date of the hot lunch. If that doesn't happen, your order will automatically be kicked out of the program and your child will not receive hot lunch. There is the option to pay by credit card online or by cheque at the office. If you are paying by cheque, it also must be dropped off at the office 14 days before (we have to manually enter it) or your child's order will be kicked out as well.

The program is really quite simple and The PAC really hopes that you will like these new changes. We are ALWAYS looking for parent volunteers to help with hot lunch. We all appreciate having hot lunch for our children, and it's nice if all of us can have a share.
