MONDAY NOTES
MARCH 30TH, 2020

Things To Remember

Current Information

Please continue to check the school website at-

<https://www.sd59.bc.ca/schools/canalta-elementary>

and School District website at-

<https://www.sd59.bc.ca/> websites for current updated information.

Message

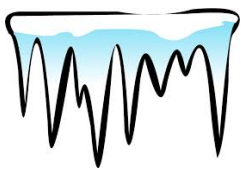

At this time the staff and I would like to acknowledge that these are different and challenging times. We are eager to connect with you this week and teachers will be contacting each family directly through phone calls and digital platforms.

Starting this week, teachers will be busy gathering information on what education may look like and how we can best support you and your children with their continued learning. Thank you for your understanding as we work towards creating options around how we will continue to educate our students through their home learning plans.

Mrs. Sutherland and The Staff at Canalta Elementary

School Building Closed to The Public

Please be advised that we will be following the School District Protocols. The school building will be closed to public entry and access as we endeavour to keep a safe working environment for our staff. Parents coming to the school will need to book an appointment through the office for a time later in the week. Please be aware that staff will meet you at the door and items will be picked up outside the school. Please do not come at an unscheduled time as we will not be able to accommodate you.

Important - Please Call First!

If you would like to pick up your child's belongings, please call Robin after Tuesday at 250-782-8403 to book a time for later in the week. Someone will meet you at the door with your items. Should items be missing, please email your child's teacher so we can work at locating those items.

Library Webpage

While you are waiting for learning materials from your child's teacher, our school library webpage has many resources posted that students can use if they are looking for something to do.

There is also the following website created by the B.C. Government Keep Learning BC,

<https://www.openschool.bc.ca/keeplearning/>

Family Self Care Time

The following are ideas that families can do together when they are at home.

Do a craft

Do an art project

Write a story

Create a photo book

Exercise

Make a Healthy Snack

Play a Board Game

Gotcha Prizes

Watch for upcoming challenges that you can do at home to be entered into our Gotcha Draws. At the request of our students we will have a Primary draw and an Intermediate draw each week.

Office Hours

Please be advised that although the school building is closed to the public, the office will be taking phone calls from
8:00-12:00 and
12:30-2:30 p.m.

Due to the expected high volume of calls during our first days back, you may need to leave a message and it may take a while for your call to be returned. We will reply as soon as possible.
Thank you for your understanding.

Please remember that starting this week, your teacher will be contacting you and that the school building is closed to public entry and access.

We appreciate your patience and understanding as we plan around how we will continue to deliver learning for our students.
