

The Mission of Chetwynd Secondary School is to provide
a Caring Community of Socially Responsible Individuals
Striving For Success.

Monday March 30th, 2020

Dear Students and Families of CSS:

We the staff hope that you are all well and taking care of yourselves. We are aware that there are many questions that you have. Over this week you will be called by one of our staff to gather information which will help us to plan for the Continuity of Education going forward. With this information we will spend the week planning and then connect with you again.

At this time schools are closed to the public and as such we are making appointments to have any personal items returned to students. That process will start on Wednesday of this week. At the time of your appointment you will come to the main entrance of the school and remain at the table that is at the bottom of the steps. Either an administrator or office staff will bring the materials from the student locker to that table.

As you can imagine there are many students wanting their belongings and in need of materials for the continuity of education. We ask that you are on time for your appointment and keep in mind the need for social distancing and limitations on numbers of people in groups.

We ask that once you have your bag you leave the area so that the next person can gather their belongings.

Thank you for your understanding and take care.

C. Mason
Principal
Chetwynd Secondary
