On Tuesday, November 19th, Wednesday and November 20th there will be a book fair in the School Library. Students will be welcome to purchase items from the book fair at certain times during the school day or during parent/teacher interviews. Please make sure to check it out! All purchases contribute to getting new resources for our school. The theme of the Book Fair is the “Arctic Adventure”!!

After School Programs

On Tuesdays the school is offering afterschool crafts for students in grade 4-7 and on Thursdays the students will be playing Floor Hockey. All afterschool programs run from 3pm-4pm. If your child is interested, please check them out.

Outside days and Inside days

With the arrival of colder weather, we wanted parents to know that inside days occur when the weather dips below -15c. If during the day the weather warms up then we would switch to outside days. Supervision begins at 8:30. For safety reasons, students are asked to arrive at or after 8:30. Also, students are required to be outside until the bell on outside mornings as there is no indoor supervision. You are welcome to wait outside with your child until the bell rings. It is very difficult for children to understand why they need to wait outside if they see others indoors. Finally, a reminder that outside boots and shoes need to be removed when entering the building so that students are not getting wet/dirty socks on their way to classroom and that we aren't creating slipping hazards from wet footwear. Thanks in advance for helping our students follow our school rules!
