MANAGEMENT REPORT

The Financial Statements contained in this Statement of Financial Information under the *Financial Information Act* have been prepared by management in accordance with Canadian generally accepted accounting principles and the integrity and objectivity of these statements are management's responsibility.

Management is also responsible for all other schedules of financial information and for ensuring this information is consistent, where appropriate, with the information contained in the financial statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Board of Education is responsible for ensuring that management fulfils its responsibilities for financial reporting and internal control and for approving the financial information included in the Statement of Financial Information.

The external auditors, MNP LLP Chartered Accountants conduct an independent examination, in accordance with generally accepted auditing standards, and express their opinion on the financial statements as required by the *School Act*. Their examination does not relate to the other schedules of financial information required by the *Financial Information Act*. Their examination includes a review and evaluation of the board's system of internal control and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly.

STATEMENT OF FINANCIAL INFORMATION

SCHOOL DISTRICT NO. 59 (PEACE RIVER SOUTH)

EXPLANATION OF DIFFERENCES TO AUDITED FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2012

The salaries paid to employees as well as the payments disbursed to suppliers for goods and services and employee benefit premiums are disclosed on the audited financial statements as expenses, net revenues, capitalized costs or changes in accounts payable and receivable.

The differences between the audited financial statements (Statement 2 – Statement of Revenue and Expense) and the combined totals of the Schedule of Remuneration and Expenses and the Schedule of Payments made for the Provision of Goods and Services are primarily as follows.

- Vendor payments include the employee portion of benefits but they are not included in the Schedule of Revenue and Expenses.
- Vendor payments and remunerations do not include accruals made at year end for certain supplier costs and future employee benefits.
- Vendor payments reflect full payment of HST whereas the expense reflects the HST net.
- Vendor payments include payments for the employee portion of statutory and pension deductions.
- Vendor payments include capital costs.
