

Canalta PAC Volunteer Information

Welcome to Canalta!

The PAC is a group of parents who volunteer to give extra opportunities to the children, raise funds for goals throughout the school, and to help the school when needed. We encourage all parents of all ages to come and be part of the parent voice that is so important to our school. The PAC has a meeting every second Tuesday at 6:30 in the staff room in Canalta. We believe the more the merrier and we are hoping to see new faces come join us in September.

We realize sitting in on PAC meetings may not fit schedules or interests and that is ok! We feel that there may be opportunities to help our school without joining us for that meeting every month. The parents of Canalta are excited to see the talents that are hiding in our community of families we have in our school. Please fill the information below as you see fit. Please answer the poll questions for your input to be heard in our school. You could be part of our school community in many ways!
