

# Chillin' With a Good Book

## Reading Incentive Program

January 14, 2020

Dear Parents/Guardians,

The first term of school we had a great time with our reading incentive program themed "We Have A Minion Reasons Why We Love To Read." Fifty students participated from kindergarten to grade 6. Many students completed more than one reading log and some students completed up to ten reading logs. It was great to see the students talking about books they had read and excited about the program.

Our second term reading incentive program is themed "Chillin' With a Good Book." Students will receive a reading log to take home and record what they have read each night (one entry per night). If your child is reading a chapter book they may record the chapters they read that night. If your child is in kindergarten you may record the books you read to your child. When their log is complete students may bring it to the library to cut out and place their snowman on our winter bulletin board and receive a small prize.

Keep reading everyone!
