

Part C: Safety of Students

4310 Accidents and Insurance

Policy 4310 STATUS: ADOPTED

ACCIDENTS AND INSURANCE

Board Approved and Codified: February 24, 1986

Last Revised: June 19, 2013, February 20, 2020

Description:

1. The Board of Education recognizes the importance of the safety, protection and general well-being of students while they are attending school. Therefore the Board will make provision for:
 - 1.1. The adequate recording and reporting of physical injuries of students;
 - 1.1.1. All injuries or accidents to students must be reported using the on-line student incident reporting form provided by the School Protection Program (SPP);
 - 1.2 Informing parents of the availability of optional student accident insurance.
