

Back to School

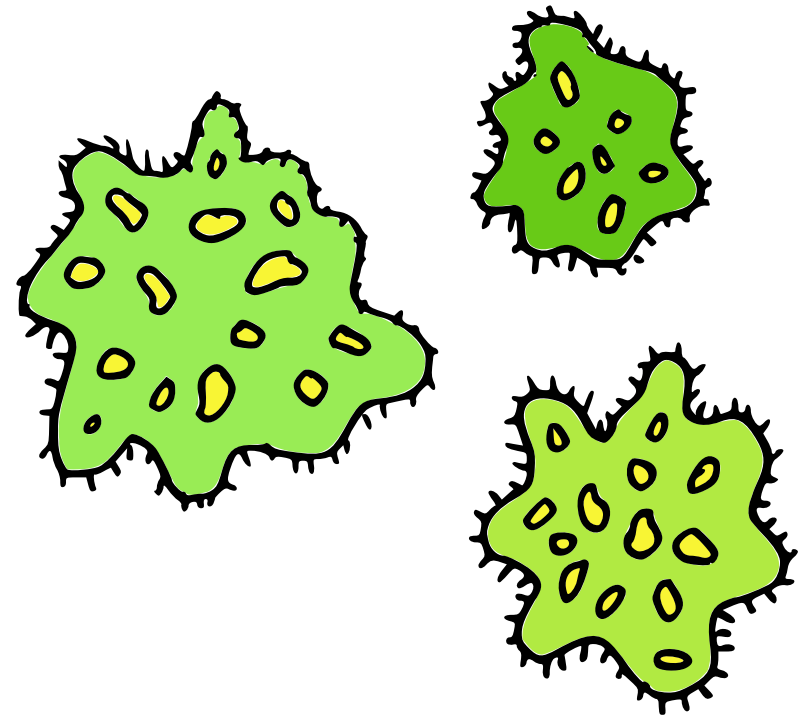

**I can do my part to
keep myself and
others healthy!**

Schools have been closed because of a virus.

Viruses and infections can make people sick. Right now there is a virus called COVID-19

No one likes to be sick.
We always wish for
everyone to get well
soon!

Now I get to go back to
School.

I can help keep myself
and others from getting
sick.

I can wash my hands
often with soap and
water while I count to
20.

I can use hand sanitizer
when there is no soap
and water.

I can cough or sneeze
into my arm.

I can keep my hands
away from my face.

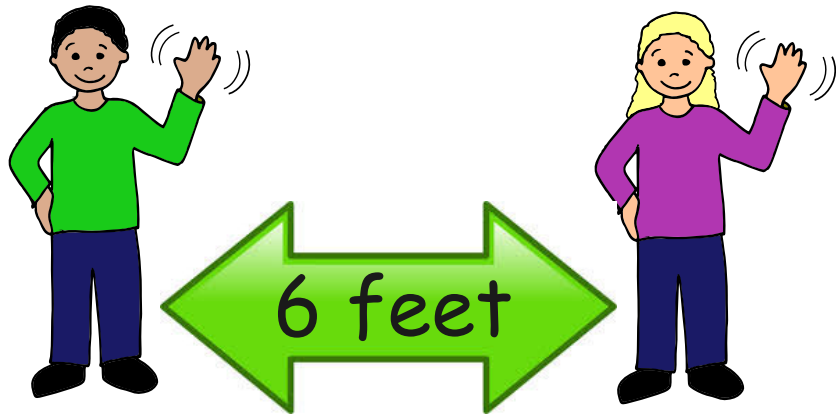

I can eat healthy foods.

I can exercise
everyday.

I can get plenty of
sleep.

I can stay 6 feet away
from people.

When I see people at
school I can't give them
a high five..

But I can wave!

I will do my best to
keep myself and others
healthy!
