Mandate:

The mandate of the committee is to manage the distribution of education funds for the following:

- a. Implementation of best practices to integrate skill development for support staff employees with district goals and student needs;
- b. Developing and delivering education opportunities to enhance service delivery to students;
- c. Identifying, developing and delivering education opportunities to enhance and support employee health and safety, including non-violent crisis intervention;
- d. Skills enhancement for support staff
- e. EA curriculum module development and delivery
- f. These funds shall not be used to pay for education that Districts are required to provide under Occupational Health and Safety Regulations

Terms of Reference:

The SSEC shall develop, not later than December 31, 2019, terms of reference for the committee. If no such agreement can be reached the SSEC shall make recommendations to the Provincial Parties.

Funding:

There will be a total of \$1 million of annual funding allocated for the purposes set out above commencing July 1, 2019 for the term of this agreement.

7. Job Evaluation (JE) Committee

The Parties will continue and conclude the work of the provincial job evaluation steering committee (the JE Committee) during the term of this Framework Agreement. The objectives of the JE Committee for phase two are as follows:

- Review the results of the phase one pilot and outcomes of the committee work. Address any anomalies identified with the JE tool, process, or benchmarks.

- Expand the pilot to an additional ten (10) districts including at least **two** (2) non-CUPE locals to confirm the validity of the tool and the benchmarks.
- Rate the provincial benchmarks and create a job hierarchy for the provincial benchmarks.
- Identify the job hierarchy for local job descriptions for all school districts.
- Compare the local job hierarchy to the benchmark-matched hierarchy.
- Identify training requirements to support implementation of the JE plan and develop training resources as required.

It is recognized that the work of the committee is potentially lengthy and onerous. To accomplish the objectives expeditiously the Parties agree that existing JE funds can be accessed by the JE committee to engage consultant(s) on a fulltime basis if necessary to complete this work.

It is further recognized that this process does not impact the established management right of employers to determine local job requirements and job descriptions nor does this process alter any existing collective agreement rights or established practices.

Once the objectives outlined above are completed, the JE Committee will mutually determine whether a local, regional or provincial approach to the steps outlined below is appropriate.

The committee, together with consultant(s) if required, will develop a method to convert points into pay bands. The confirmed method must be supported by current compensation best practices.

The disbursement of available JE funds shall commence by January 2, 2020 or as mutually agreed.

The committee will utilize available funds to provide 50% of the wage differential for the position falling the furthest below the wage rate established by the provincial JE process and will continue this process until all JE fund monies at the time has been disbursed. The committee will follow compensation best practices to avoid problems such as inversion.

The committee will report out to the Parties at key milestones during the term of the Framework Agreement. Should any concerns arise during the work of the committee they will be discussed and resolved by the Parties at that time.

The parties confirm that the \$900,000 of ongoing annual funds established under the 2014-2019 Provincial Framework Agreement will be used to implement the Job Evaluation Plan. An additional \$3 million of ongoing annual funds will commence on July 1, 2021.

8. Provincial Labour Management Committee (PLMC)

The Parties agree to establish a PLMC to discuss and problem solve issues of mutual provincial interest. The purpose of the committee is to promote the cooperative resolution of workplace issues, to respond and adapt to changes in the economy, to foster the development of work related skills and to promote workplace productivity.

The PLMC shall not discuss specific grievances or have the power to bind either Party to any decision or conclusion. This committee will not replace the existing local grievance/arbitration processes.

The parties agree that the PLMC will consist of up to four (4) representatives appointed by BCPSEA and up to four (4) representatives appointed by the Support Staff Unions. Either Party may bring resource people as required, with advanced notice to the other party and at no added cost to the committee.

The PLMC will meet quarterly or as mutually agreed to for the life of the agreement and agree to include Workplace Health and Safety as a standing agenda item.

9. Committee Funding

There will be a total of \$100,000 of annual funding allocated for the purposes of the Support Staff Education Committee and the Provincial Labour Management Committee. There will be a one-time \$50,000 allocation for the purposes of the Joint Health and Safety Taskforce.

10. Support Staff Initiative for Recruitment & Retention Enhancement (SSIRRE)

The Parties commit to a Support Staff Initiative for Recruitment & Retention Enhancement (SSIRRE) with the following objectives:

- a. Gathering data of existing support staff recruitment and retention challenges and projected demand in the sector
- b. Gathering data of existing offerings for applicable post-secondary programs, vocational programs and identify potential gaps in program offerings to meet projected demands
- c. Partnering with post-secondary schools and vocational training providers to promote support staff positions in school districts
- d. Marketing the support staff opportunities within the sector (eg. Make a Future)
- e. Targeted support for hard to fill positions

The representatives of the PLMC will mutually select a consultant to perform the work of the initiative. The consultant will report to the PLMC on key milestones and as otherwise requested. During the term of the agreement \$300,000 will be allocated for the purposes set out above.

11. Early Care and Learning Plan

In support of the Province's Early Care and Learning (ECL) Plan, the parties will pursue collaborative opportunities for the K-12 sector to support effective transitions for care and learning from the early years to kindergarten e.g. before and after school care.

12. Unpaid Work

In accordance with the *Employment Standards Act*, no employee shall be required or permitted to perform unpaid hours of work.

13. Employee Family Assistance Program (EFAP) services and the PEBT

The Parties request that the PEBT Board undertake a review to assess the administering of all support staff Employee Family Assistance Program (EFAP) plans.

14. Demographic, Classification and Wage Information

BCPSEA agrees to coordinate the accumulation and distribution of demographic, classification and wage data, as specified in the Letter of Understanding dated December 14, 2011, to CUPE on behalf of Boards of Education. The data currently housed in the Employment Data and Analysis Systems (EDAS) will be the source of the requested information.

15. Public Education Benefits Trust

This payment shall be made each April 1 of the calendar year to provide LTD and JEIS benefits in accordance with the Settlers Statement On Accepted and Policy Practices of the PEBT.
- b. The Parties agree that decisions of the Public Education Benefits Trust medical appeal panel are final and binding. The Parties further agree that administrative review processes and the medical appeal panel will not be subject to the grievance procedure in each collective agreement.

- c. Sick leave and JEIS eligibility for sick leave or indemnity payments requires participation in the Joint Early Intervention Service (JEIS) according to the JEIS policies of the PEBT.

16. Employee Support Grant (ESG)

The Parties agree to the principle that Support Staff union members who have lost wages as a result of not crossing lawful picket lines during full days of a BCTF strike/BCPSEA lockout will be compensated in accordance with the letter of agreement in Appendix A.

17. Adoption of Provincial Framework Agreement (PFA)

The rights and obligation of the local parties under this Provincial Framework Agreement (PFA) are of no force or effect unless the collective agreement has been ratified by both parties no later than November 30, 2019.

18. Funding

Funding for the Provincial Framework Agreement will be included in operating grants to Boards of Education.

19. Provincial Bargaining

The parties agree to amend and renew the December 14, 2011 Letter of Understanding for dedicated funding to the K-12 Presidents' Council to facilitate the next round of provincial bargaining. \$200,000 will be allocated as of July 1, 2020.

Letter of Agreement “B” – Public Sector General Wage Increases

Letter of Agreement “B”

Between:

BC Public School Employers Association (“BCPSEA”)

And:

The CUPE K - 12 Presidents' Council and Support Staff Unions (“the Unions”)

Re: Public Sector General Wage Increases

1. If a public sector employer as defined in s. 1 of the Public Sector Employers Act enters into a collective agreement with an **effective** date after December 31, 2018 and the first three years of the collective agreement includes a cumulative nominal (not compounded) general wage increase of more than 6%, the general wage increase in the 2019-2022 Provincial Framework Agreement will be adjusted on the third anniversary of the 2019-2022 Provincial Framework Agreement so the cumulative nominal (not compounded) general wage increases are equivalent. This Letter of Agreement is not triggered by any general wage increase awarded as a result of binding interest arbitration.
2. A general wage increase and its magnitude in any agreement is as defined by the PSEC Secretariat and reported by the Secretariat to the Minister of Finance.
3. For certainty, a general wage increase is one that applies to all members of a bargaining unit and does not include wage comparability adjustments, targeted lower wage redress adjustments, labour market adjustments, service improvement allocations, and is net of the value of any changes agreed to by a bargaining agent for public sector employees to obtain a compensation adjustment.
4. This Letter of Agreement will be effective during the term of the 2019-2022 Provincial Framework Agreement.

Refusing unsafe work

Workers have the right to refuse unsafe work. If you have reasonable cause to believe that performing a job or task puts you or someone else at risk, you must not perform the job or task. You must immediately notify your supervisor or employer, who will then take the appropriate steps to determine if the work is unsafe and remedy the situation.

As an employer, workers are your eyes and ears on the front line of workplace health and safety. When workers refuse work because they believe it's unsafe, consider it an opportunity to investigate and correct a situation that could have caused harm.

If a worker refuses work because it's unsafe, workplace procedures will allow the issue to be properly understood and corrected. As a worker, you have the right to refuse to perform a specific job or task you believe is unsafe without being disciplined by your employer. Your employer or supervisor may temporarily assign a new task to you, at no loss in pay.

Steps to follow when work might be unsafe:

1. Report the unsafe condition or procedure

As a worker, you must immediately report the unsafe condition to a supervisor or employer.

As a supervisor or employer, you must investigate the matter and fix it if possible. If you decide the worker's concern is not valid, report back to the worker.

2. If a worker still views work as unsafe after a supervisor or employer has said it is safe to perform a job or task

As a supervisor or employer, you must investigate the problem and ensure any unsafe condition is fixed.

This investigation must take place in the presence of the worker and a worker representative of the joint health and safety committee or a worker chosen by the worker's trade union. If there is no safety committee or representing trade union at the workplace, the worker who first reported the unsafe condition can choose to have another worker present at the investigation.

3. If a worker still views work as unsafe, notify WorkSafeBC

If the matter is not resolved, the worker and the supervisor or employer must contact WorkSafeBC. A prevention officer will then investigate and take steps to find a workable solution.

WorkSafeBC – Worker Rights & Responsibilities (for information purposes only)

Worker Rights and Responsibilities:

On a worksite, everyone has varying levels of responsibility for workplace health and safety. You should know and understand your responsibilities — and those of others. If you're a worker, you also have three key rights.

Your rights

- The right to know about hazards in the workplace
- The right to participate in health and safety activities in the workplace
- The right to refuse unsafe work without getting punished or fired

Your responsibilities

As a worker, you play an important role in making sure you — and your fellow workers — stay healthy and safe on the job. As a worker, you must:

- Be alert to hazards. Report them immediately to your supervisor or employer.
- Follow safe work procedures and act safely in the workplace at all times.
- Use the protective clothing, devices, and equipment provided. Be sure to wear them properly.
- Co-operate with joint occupational health and safety committees, worker health and safety representatives, WorkSafeBC prevention officers, and anybody with health and safety duties.
- Get treatment quickly should an injury happen on the job and tell the health care provider that the injury is work-related.
- Follow the treatment advice of health care providers.
- Return to work safely after an injury by modifying your duties and not immediately starting with your full, regular responsibilities.
- Never work under the influence of alcohol, drugs or any other substance, or if you're overly tired.

Employer Responsibilities:

Whether a business is large or small, the law requires that it be a safe and healthy place to work. If you are an employer, it is your responsibility to ensure a healthy and safe workplace.

Your responsibilities

- Establish a valid occupational health and safety program.
- Train your employees to do their work safely and provide proper supervision.
- Provide supervisors with the necessary support and training to carry out health and safety responsibilities.
- Ensure adequate first aid equipment, supplies, and trained attendants are on site to handle injuries.
- Regularly inspect your workplace to make sure everything is working properly.
- Fix problems reported by workers.
- Transport injured workers to the nearest location for medical treatment.
- Report all injuries to WorkSafeBC that required medical attention.
- Investigate incidents where workers are injured or equipment is damaged.
- Submit the necessary forms to WorkSafeBC.

Supervisor Responsibilities:

Supervisors play a key role with very specific health and safety responsibilities that need to be understood.

A supervisor is a person who instructs, directs, and controls workers in the performance of their duties. A supervisor can be any worker — management or staff — who meets this definition, whether or not he or she has the supervisor title. If someone in the workplace has a supervisor's responsibilities, that person is responsible for worker health and safety.

Your responsibilities

- Ensure the health and safety of all workers under your direct supervision.
- Know the WorkSafeBC requirements that apply to the work under your supervision and make sure those requirements are met.
- Ensure workers under your supervision are aware of all known hazards.
- Ensure workers under your supervision have the appropriate personal protective equipment, which is being used properly, regularly inspected, and maintained.
