All substitutes are expected to conduct themselves in the same professional and ethical manner as would be expected of the regular teacher. All matters of confidentiality must be respected. As employees of School District No. 59 (PRS), substitutes are expected not to discuss students, staff members, or any educational or internal matters of a confidential nature outside of the workplace.

I have read and understood the “District Expectations of Substitute Teachers” outlining duties and responsibilities of substitute teachers in School District No. 59 (PRS).
