Realities Facing School District No. 59 2024-2028

The Strategic Plan

Three Specific Priorities defined within the 2024-2028 Strategic Plan

Priority 1: Student Success

Strategic Plan Priority 1: STUDENT SUCCESS

GOAL 1:

Build foundational numeracy and literacy skills in all learners and provide supports and interventions to allow for success

GOAL 2:

Each school will create and implement its plan for students' sense of belonging and wellness by explicitly teaching social emotional learning at all levels

GOAL 3:

Through Applied Design Skills
Technology (ADST) and career
education, School District No. 59
will provide opportunities for
students to connect and develop
skills to successfully transition into
their future

Priority 2: Building Capacity

Strategic Plan Priority 2: Building Capacity

GOAL 1:

Integrate differentiated instruction and practices, and visible learning to meet students where they are at and move them forward in their individual success

GOAL 2:

Resource schools and departments to meet the needs of students and staff, including recruitment and retention, training, policy development, inclusion and diversity, antiracism, truth and reconciliation, technology, and implementation of the Accessibility Act.

Teacher Recruiting and Retention University Partnerships 2023-2025

Northern Lights College

Teacher Recruiting and Retention Marketing and Job Posting

Teacher Retention

- New Teacher Mentorship
- District Resource Centre
- Professional Learning Communities (Literacy & Numeracy)
- Local Professional Development
- WHIP Wellness Health Incentive Program
- EFAP Employee/Family Assistance Program
- Starling Minds
- Leadership Academy

- Career Advancement / Leadership
 Opportunities
- Affordable Lifestyle
- And more...

Priority 3: Communication

Strategic Plan Priority 3: Communication

GOAL 1:

Improve collaborative partnerships with families to strengthen academic success, relationships, and connectedness to school. Provide timely information to students and families to allow for informed decision-making

GOAL 2:

Showcase and celebrate student learning and initiatives

GOAL 3:

Engage with all rightsholders, stakeholders, and community partners to facilitate collaborative communication.

Sustainable Use of Resources

Facilities & Infrastructure

Equitable & effective educational programs

Equitable access to technology

Middle Years Development Instrument: Well-Being

The Well-being Index combines MDI measures relating to children's physical health and social and emotional development that are of critical importance during the middle years. These are: Optimism, Happiness, Self-Esteem, Absence of Sadness and General Health.

Scores from these five measures are combined and reported by three categories of well-being, providing a holistic summary of children's mental and physical health.

Measures:
Optimism
Happiness
Self-Esteem
Absence of Sadness
General Health

Middle Years Development Instrument: Well-Being Grade 5 (2023-24)

High Well-being (Thriving)

Children who score in the high range on at least 4 of the 5 measures of well-being and have no low-range scores.

Medium Well-being

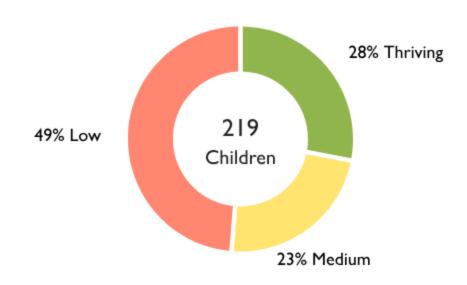

Children who score in the high range on fewer than 4 of the 5 measures of wellbeing, and have no low-range scores.

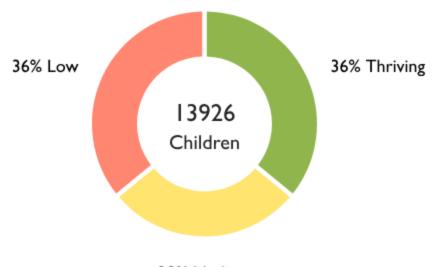

Low Well-being

Children who score in the low range on at least 1 of the 5 measures of well-being.

PEACE RIVER SOUTH

Middle Years Development Instrument: Assets Grade 6 (2023-24)

Percentage of children reporting the presence of an asset

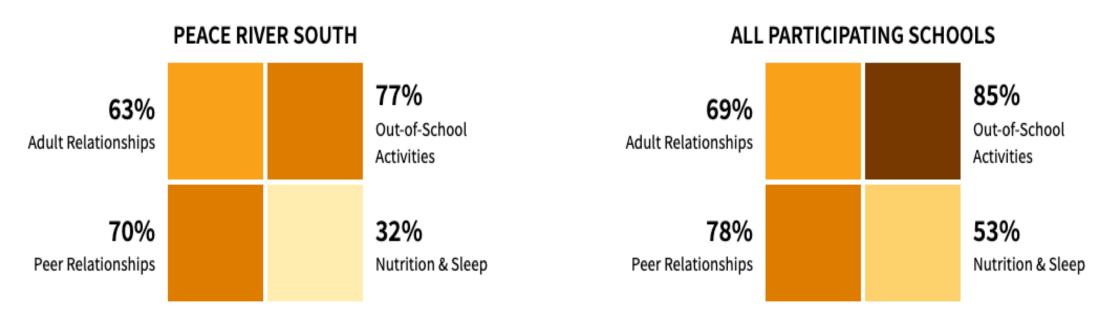

Middle Years Development Instrument: Assets Grade 8 (2023-24)

Percentage of children reporting the presence of an asset

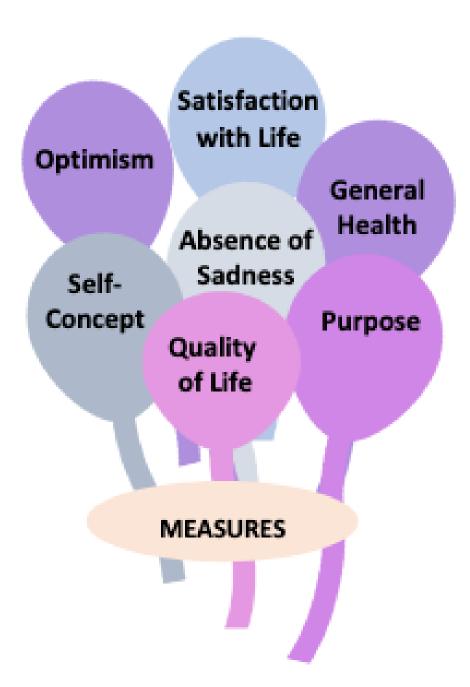

Youth Development Instrument: Thriving Grades 10-11

Adolescent well-being can be defined as "[having] the support, confidence, and resources to thrive in contexts of secure and healthy relationships, realizing their full potential and rights" (Ross et al., 2020; Su et al., 2014).

For the 2023-24 year, the YDI report has brought back and updated well-being index – now referred to as the Thriving Index – similar to the MDI to encourage trajectory mapping. Scores from these seven measures are summed and categorized into three levels: High Thriving, Moderate Thriving and Low Thriving support.

All Participating Districts

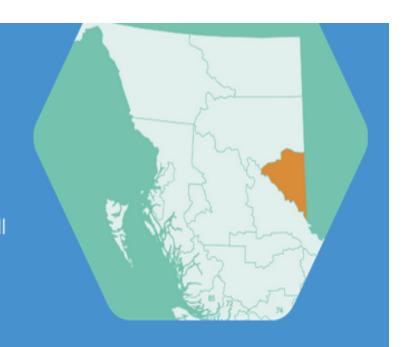

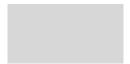

School District

Peace River South (59) Student Learning Survey

Every year, the Ministry of Education invites students in grades 4, 7, 10 and 12, their parents and all staff in B.C. public schools to complete an online survey about their school experience. Where applicable, results for students (grades 4, 7, 10, and 12) are provided below. Elementary includes combined grade 4 and 7 results, and Secondary includes combined grade 10 and 12 results.

Typical range across B.C. (middle 50% of school districts)

Selected school district's most recent results (2023/2024)

STUDENT CONSULTATION

STUDENT VOICE

STUDENT SYMPOSIUM

Student Voice (2022-2024)

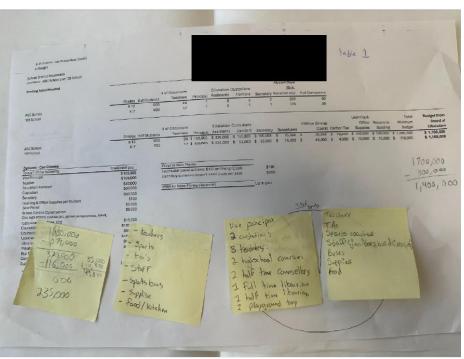

Student Voice completed two separate environmental scans across School District No. 59, one in the 2022-23 school year and the other in the 2023-24 school year. The 2022-23 scan was a survey style scan created by the Student Voice Team to help them understand the needs of students across the district. The 2023-24 scan was framed as a SOAR, seeking students' ideas connected to Strengths, Opportunities, Aspirations and Results relevant to school life from students' perspectives, grades kindergarten through grade 12. The students travelled to each school in the district to gather information from their peers. All information was collated and summarized by the students for sharing purposes.

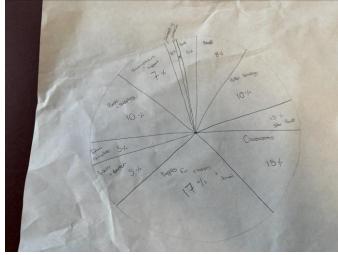

The students used the data from their scans to make recommendations to the Board of Education. Their data indicated they were concerned about the variability of internet connectivity across the district. The students found there was a need for the availability of quality feminine hygiene products; the products the district were offering were not sufficient. Students wanted greater privacy and cleanliness in their washrooms, and they wanted consistency in lighting in their schools.

The information the students gathered from their peers through the SOAR Environmental Scanning process was added to the data collected from all staff across the district.

Student Symposium October 2024

- 40 Secondary Students from 3 secondary schools
- 7 Staff
- 4 Topics
- Budget Simulation

STUDENT SYMPOSIUM: CULTURAL RESPONSIVENESS

- Inclusion of Diverse Cultures and Histories beyond just one dominant culture (e.g., Western holidays)
- Language and Communication: learning opportunities in diverse languages fostering easier communication among students who speak different languages
- Combatting Racism and Bias: consequences for discriminatory behavior and more efforts to address peer pressure and unconscious biases
- Representation and Safe Spaces: need for cultural representation in the curriculum and spaces to express their cultural identities or learn about others
- Practical Learning Approaches: cultural foods in cooking classes, teaching world religions, and hosting multicultural events or themed weeks to promote deeper cultural understanding and engagement.

STUDENT SYMPOSIUM: ADVOCACY & AGENCY

Desire for Greater Autonomy in Learning: Students want more choices, such as selecting classes, clubs, and deciding how they learn (e.g., incorporating interactive classes, study blocks, or plant-based studies). Equitable and Responsible Use of Technology: balanced policies on technology use, emphasizing research and learning in the context of blanket bans.

Improving Student
Engagement and Teacher
Support: teachers to better
adapt to different learning
styles and increase; need
for more interactive and
relevant classes.

Community and Environmental Initiatives: Suggestions included planting trees, improving infrastructure (e.g., roads and sidewalks), and organizing events for cross-school interaction to enhance community spirit.

Reforming School Policies: reduced punitive measures and policies that consider their needs and responsibilities, such as healthier lunch options, shorter school days and phone bans

STUDENT SYMPOSIUM: TECHNOLOGY

Infrastructure: Students frequently mentioned the need for faster Wi-Fi, better laptops, updated computers, and more reliable hardware to support their learning.

Rules and Restrictions on Device Use: Opinions varied, citing their utility for learning and focus, or listening to music helped improve classroom focus.

Inadequate Resources and Accessibility: limited availability of devices (e.g., laptops, iPads) and issues accessing affecting productivity and research capabilities.

Equity and Proper Use: the need for fair access to technology, emphasizing that some tech labs were monopolized by a particular class or that device bans penalized those who could use them responsibly.

Role of Technology in Learning and Personal Growth: Technology was seen as essential for enhancing research, career preparation, and personal experiences.

STUDENT SYMPOSIUM: ENGAGEMENT

Class Structure and Timing

- Shorter or more flexible class durations (e.g., shorter blocks, alternating fun and challenging classes).
- Later school start times to accommodate student sleep cycles.
- Longer breaks, especially lunch.

Teacher Quality and Support

- Teachers better suited to their subjects and more consistent staffing (less teacher turnover).
- Teachers listening to student feedback and understanding student needs.

Diverse and Relevant Opportunities

- More extracurriculars and clubs, including cheerleading, drama, music, and diverse sports.
- Additional and varied class offerings (e.g., advanced courses like calculus or science electives).
- · Learning practical life skills relevant to future careers.

Student-Centric Policies

- Addressing issues like overly rushed schedules (e.g., bathroom breaks or lunch).
- Better support for academically struggling students or those with challenging home lives. Flexibility around personal digital device use.

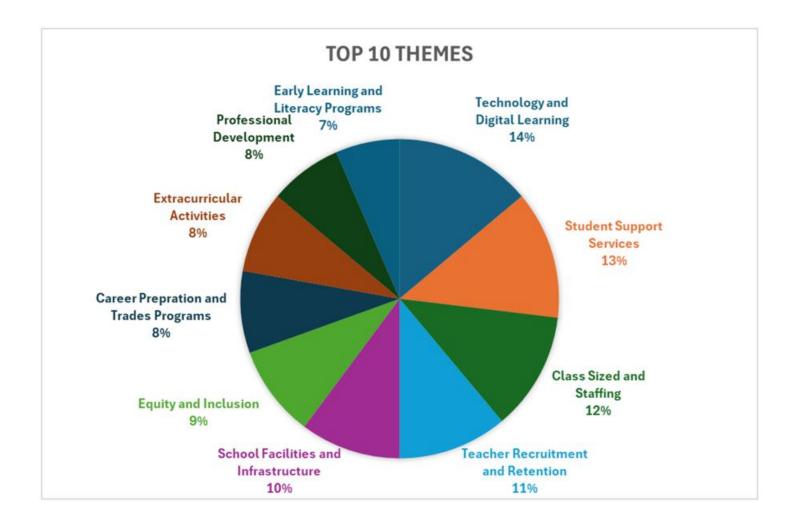

School Environment and Culture

- Improvements to facilities (e.g., removing hazards like mold and asbestos).
- More inclusive activities and fostering a holistic student community.
- Open discussions on issues like drug use or mental health.

COMMUNITY CONSULTATION

COMMUNITY BUDGET INPUT SURVEY - 191 RESPONDENTS

• Question 1: Priority: As the District plans the 2025/2026 Annual Budget for the next school year, considering the educational programs and services that are currently provided at your school or work location, what is most important and why?

QUESTION 2 - INVESTMENT

2. Balancing Approaches - Investment: Listed below are the different approaches the district could take to add services to the organization. Please rank these approaches in the order you think the Board should consider them. You can change the ranking by moving the up or down arrow to the right of each option.

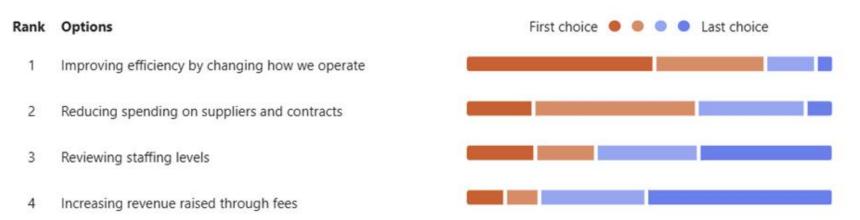

186 Responses

Rank Options First choice Last choice Strategies to attract and keep staff. Improvements to school buildings and other district buildings, including classrooms and libraries, maintenance and... Improving technology by adding computers or improving the network. Professional development and learning opportunities for staff.

QUESTION 3 - REDUCTIONS

3. Balancing Approaches - Reductions: Listed below are the different approaches the district could take to balance its budget if need be. Please rank these approaches in the order you think the Board should consider them. You can change the ranking by moving the up or down arrow to the right of each option.

SURPLUS - OPERATING

- Surplus occurs when revenue is greater than expenses at year end
- Projecting \$500,000 in underspending in 24-25
- Can be used toward 25-26
- Once the Board allocates the surplus, it becomes part of the revenue in 25-26
- Subject to change at June 30, 2025 (actuals)
- In the 23-24 budget, the Board allocated \$2.3m 22-23 surplus to 23-24 revenue
- In the 24-25 budget, the Board allocated \$1,5m from surplus for operating initiatives plus \$1.7m capital appropriation
- In the 25-26 budget, we estimate the use of \$500k 24-25 underspending in 25-26 revenue, and a further surplus appropriation of \$1.5m for initiatives.

Variable

Mitigation

Enrolment growth

Enrolment decline

Teacher & TTOC/TOC average salary

Interest rates

Benefits increases

Increased absence replacement cost

Cost of services & supplies increase due to tariffs

Capital project overruns

Operating grant will increase

Assume staff reduction proportionately

Currently no contingency; rely on surplus

Adjustment to services & supplies

Contingency in benefits

Rely on surplus

Rely on surplus

Rely on surplus & Annual Facilities Grant

RISK

How can we improve?

- Financially we are solid: no deficit, no emergency cutbacks
- But...
- Are we sustainably nimble, aware and responsible?
- Are we investing money in the right places?
- If we could become more efficient and save money, how would we re-invest in ourselves to improve our results?

Discussion

Topic 1 Strategic Plan

- The Board renewed its strategic plan in Spring 2024.
- After hearing tonight about how our students are doing and the priorities of the strategic plan, what should the Board focus on over the next four years? Are we on the right track?
- What does success look like for each student and how can we achieve that success?
- How can we improve efficiency by changing how we operate (referenced in the survey results)?

Topic 2 Truth and Reconciliation

- Last year when we talked about Truth & Reconciliation our discussion had the following themes:
 - Commitment
 - Education and Awareness
 - Cultural Representation and Inclusion
 - Community Engagement and Partnership
 - Support for Indigenous Students
- How would students know that we are committed to truth and reconciliation? In the district, on a personal and as a community?

Topic 3 Community Partnerships

- Last year we discussed a community that is welcoming, supportive and engaging and the part we each play in our communities.
- What partnerships or gaps in our collective responsibility to create and maintain a thriving community could we focus on together?

Topic 4 Recruitment and Retention

- We've heard tonight about the efforts SD59 is taking to attract people to jobs and to keep them in our schools. We've also heard about the various partnerships the District has.
- Are there partners missing in the quest to recruit and retain?
- What motivates and inspires you to work where you do?
- What other initiatives do you believe the District could undertake to further its efforts?
- What has worked for you in your past or current work/industry that has attracted and retained employees?

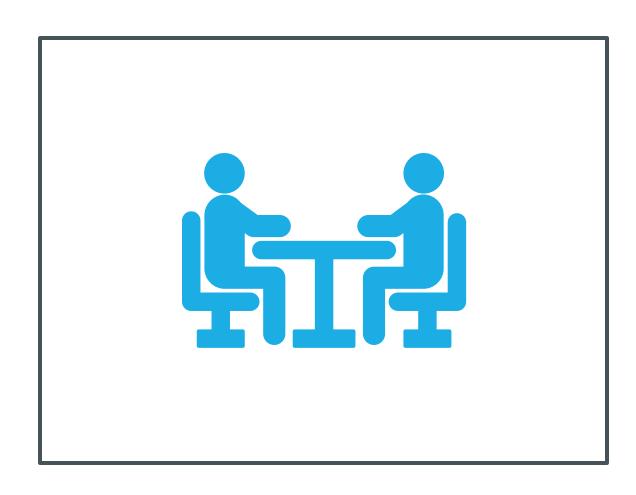

Next Steps

KEY DATES

14 Feb.	Enrolment submission
28 Feb.	School budgets complete
12 Mar.	Draft 1 / First Reading of the budget bylaw
13 Mar.	Ministry funding announcement
2 Apr.	Draft 2 / Second Reading of the budget bylaw
2 Apr.	Community consultation dinner
2 Apr. – 24 Apr.	Public feedback period
30 Apr.	Draft 3 / Third and Final Reading of the budget bylaw
30 Apr.	BUDGET IS APROVED

FEEDBACK

- April 2 to April 24, 2025
- Send comments and observations for the Board's consideration to:
 - Kim Morris, Secretary-Treasurer
 - Email: <u>kmorris@sd59.bc.ca</u>
 - Mail: 11600 7th Street, Dawson Creek, BC, V1G 4R8
