To the Parents, Guardians, and School Community:

Northern Health Authority has informed us that a COVID-19 exposure has been identified in Canalta Elementary School. The exposure occurred on **March 29th, 2021**.

Please be reassured that the current COVID safety plans in our schools, when followed correctly, are very effective in preventing transmission.

The safety and well-being of our students, families, and staff remains our highest priority. Please be reassured that our school will continue to implement the strict protocols and procedures we have in place so that children can continue to attend school as safely as possible.

Northern Health has asked that you monitor your child/children for symptoms until **April 12th, 2021 midnight** (which is 14 days from the last date of possible contact with the confirmed case).

If you have any health-related questions, please contact Northern Health as per the attached letter.

We ask for your patience at this time.

Kindly,

Jennifer Sutherland

Principal
