---

Thank you for your interest in the École Frank Ross French Immersion Program. French Immersion programs throughout British Columbia offer students the unique educational opportunity of learning Canada's second official language while acquiring the skills, knowledge, and competencies of BC's curriculum.

As a voluntary and specialized program, French Immersion offers students a positive educational experience and challenge of learning the French language. Because of the specific challenges delivering a quality immersion experience, **enrollment spaces at École Frank Ross are limited.**

*French Immersion Program spaces are filled in the following priority:*

1. Families with at least one student registered in the French Immersion program  
**(Registrations MUST be received by April 25, 2022)**
2. Date and time a registration was received

**Registrations must be received by April 25th to be eligible for priority acceptance**

All families will be contacted by **April 29, 2022** and informed on the status of their child's acceptance into the French Immersion Program.

Students who are not accepted into the program, due to space limitations, will be informed that they have been placed on a waitlist. All students on the waitlist will have to register at their catchment area school for the 2022/2023 school year. If a space becomes available, families on the waitlist will be contacted and offered a placement in the French Immersion Program based on the date and time their registration was received.

We look forward to the opportunity to partner with you in your child's education!
