April 12<sup>th</sup>, 2024

Dear families,

As our school community navigates the loss of a student we recognize that students and families are grieving and healing in various ways. As a school our goal is to maintain business as usual in classes and will continue to support students as needed.

The counselling room is available to all students to drop in as needed and is a quiet space for students just to be. If students choose to access this space there is no expectation for them to engage in counselling or conversation.

We will have School District #59 Counsellors available at the following times:

Monday April 15<sup>th</sup>- all day

Tuesday April 16<sup>th</sup>- all day

Friday April 19<sup>th</sup>- afternoon

If students would like to speak to a counsellor they are more than welcome to. They can access these supports as individuals or in small groups. The counsellors will be based out of the counselling room and students are welcome to drop in.

Parents or guardians are welcome to join their child to speak to a counsellor if they would like to.

If your family would like to access community-based counselling services please call the school at (250) 788-2267 or email me at [atower@sd59.bc.ca](mailto:atower@sd59.bc.ca) and we will provide you contact information for those resources.

We will continue to do our best to follow the lead of the students and support them as we can during this difficult time.

Sincerely,

Ashley Tower  
Acting Principal of CSS

Patrick David  
Vice Principal of CSS
