Dear Chad Anderson:

I am responding to your letter dated August 22, 2023, requesting approval for the Peace River South Board of Education to underspend its targeted Indigenous Education funding amount for the 2022/23 school year. As this is targeted funding under Section 106.4 of the *School Act*, Boards of Education must request permission from the Minister of Education and Child Care to underspend their target on an annual basis. As Deputy Minister of Education and Child Care, I am pleased to respond on the Minister's behalf.

Pursuant to section 106.4(2) of the *School Act*, approval is granted for the Board to underspend its 2022/23 school year Indigenous Education target in an amount up to \$59,749. This variation of direction is granted on the condition that these funds will be brought forward and added to the 2023/24 school year Indigenous Education targeted amount to be expended on Indigenous Education programs. I encourage you to discuss your Indigenous Education targeted funding plans with the District Indigenous Education Council or equivalent to ensure respectful and meaningful engagement with Indigenous Peoples on the use of these funds.

The attachment to this letter contains statistics about your school district's Indigenous student outcomes. I hope we will see you build upon these achievements and strive for strong academic results for all your students in the current and subsequent school years.

If you have any questions or require further information regarding the financial reporting of Indigenous Education expenses, please contact Ian Aaron, Director, School District Financial Reporting, Resource Management Division, by phone at (250) 415-1073 or by email at Ian.Aaron@gov.bc.ca.

# BCSTA Rural and Remote Network (RRN) Terms of Reference

Providing quality education to rural, remote and isolated communities is a complex undertaking given the scope of unique challenges facing these districts. As we undertake this work – an exploration into, and an understanding of, the challenges, opportunities and necessary actions needed for all students to thrive.

The guidelines found in the Ministry of Education and Child Care's Operating Grants Manual assists with understanding what constitutes a rural, remote or isolated school community:

- Small communities are defined as when a student population within a defined area does not exceed 250 elementary students and/or 635 secondary students.
- The low enrolment factor is where there are 2,500 or fewer district school-age FTEs.
- The rural factor is based on the population of the city in which the board office is located and the distance from the board office to Vancouver and the nearest regional centre.
- The sparseness index addresses the fact that certain districts have a greater financial burden than others resulting from the separation of schools from the board office.

The Rural and Remote Network feels that location factors, population-size factors and accessibility to key services to ensure students have equity of opportunities characterize rural and remote communities.

Agenda Item: R6.3 Strategic Plan Update

The Board of Education's Strategic plan process is well under way. In January, a strategic plan and budget consultation meeting occurred with school district groups and community members. Within the district, environmental scans, called SOARs (strengths, opportunities, aspirations, and results), were completed with school staff, district parent advisory council, Indigenous Education Advisory Councils, facilities staff, and for the first time, student focus groups at each school conducted by the Student Voice group.

The Board of Education reviewed the information from the SOARs and spent a day coding and theming topics that were recurring. While many topics were operational, the Board was guided by the question, "what priority would encompass these themes?" By the end of the day, the Board of Education arrived with three priorities: Student Success, Communication, and Building Capacity. The Board of Education will now create goals under these priorities to create the new strategic plan which will be presented at the June board meeting.

Agenda Item: R6.5 Cell Phone Use: Amendment to the Provincial Standards for Codes of Conduct Order

On January 26, 2024, Premier David Eby and Minister Rachna Singh announced cell phone restrictions in schools to help keep students safe from online harms and to have fewer distractions in class for students.

The Ministry of Education and Child Care has amended the Provincial Standards for Codes of Conduct Order, effective July 1, 2024. The amendment requires all boards of education to include one or more statements restricting student use of personal digital devices (including cell phones) at school. School districts have the flexibility to develop an approach that best fits the school community's needs.

To align with this order, the District's Policy Committee will be updating Policy & Regulation 4370 District Code of Conduct to implement the new language and give direction to school administrators to update their school code of conduct to include guidelines around use of personal digital devices while at school. The guidelines are to include not only restrictions on use, but also when it is appropriate to use devices such as, for instructional purposes, digital literacy, accessibility and accommodation needs, and appropriate use to student's age and development.

Districts are required to submit updated codes of conduct to the Ministry by August 15, 2024.

An Annual Programs Funding Agreement (APFA) accompanies this Capital Plan Response Letter which outlines specific Ministry and Board related obligations associated with the approved Minor Capital Projects for the 2024/25 fiscal year as listed above.

In accordance with Section 143 of the School Act, Boards of Education are required to adopt a single Capital Bylaw (using the Capital Bylaw Number provided at the beginning of this document) for its approved 2024/25 Five-Year Capital Plan as identified in this Capital Plan Response Letter. For additional information, please visit the Capital Bylaw website at:

# https://www2.gov.bc.ca/gov/content/education-training/k-12/administration/capital/planning/capital-bylaws

The Capital Bylaw and the APFA must be signed, dated, and emailed to the Ministry's Capital Management Branch at <a href="MB@gov.bc.ca">CMB@gov.bc.ca</a> as soon as possible. Upon receipt the Ministry will issue Certificates of Approvals as defined in the APFA.

As the 2024/25 Capital Plan process is now complete, the Capital Plan Instructions for the upcoming 2025/26 Annual Five-Year Capital Plan submission process (using the Ministry's Capital Asset Planning System (CAPS) online platform) will be available on the Ministry's Capital Planning webpage by April 1<sup>st</sup>, 2024.

School districts' capital plan submission deadlines for the 2025/26 fiscal year, using the CAPS online platform, will be as follows:

- June 30, 2024
  - o Major Capital Programs (SMP, EXP, REP, RDP, SAP)
- July 1, 2024
  - o Major Capital Programs (BEP)
- September 30, 2024
  - o Minor Capital Programs (SEP, CNCP, PEP, BUS)
- October 1, 2024
  - o Minor Capital Programs (FIP)

The staggered deadlines are intended to provide the Ministry with input required to initiate planning for the next budget cycle, while enabling school districts additional time and flexibility to plan over the summer.

Additionally, the Annual Facility Grant (AFG) project requests for the 2024/25 fiscal year are to be submitted using the CAPS online platform, on or before May 31, 2024.

NOTE: It is strongly encouraged that school districts discuss the draft versions of their intended capital projects and AFG project requests with Ministry staff well in advance of submission deadlines.

Please contact your respective Regional Director or Planning Officer as per the <u>Capital</u> <u>Management Branch Contact List</u> with any questions regarding this Capital Plan Response Letter or the Ministry's capital plan process.

# **RE: 2024 Lead In Water Testing Results**

School districts must complete lead content testing on all critical drinking water fixtures across all school facilities once every three years. Accordingly, a minimum of 1/3 (or 33%) of the school facilities in a school district's inventory must be tested each year.

The threshold level is .005 mg/l. Note: in 2020 the threshold level was lowered from .001 to .005.

The district conducted water at eight sites in February of 2024 (see table below). A total of 205 samples were obtained in accordance with Ministry guidelines. Results were submitted to AGAT Laboratories for analysis. Twelve deficiencies were observed. Of the deficiencies, apart from one at Tremblay, all fixtures passed post purge test and have had signage posted in accordance with Northern Health requirements. This signage will remain in place until permanent remedies are completed. Filter installation and / or fixture replacement have been started and will be completed by September of 2024 at which time the fixtures will be retested and reported to Northern Health to ensure compliance.

Policy 2150 STATUS: FOR ADOPTION

School Trustee Code of Conduct

Board Approved and Codified: January 20, 1986

Last Revised: June 19, 2013; January 23, 2020 (Combined 2155 & 2150), April 24, 2024

#### Description:

The Board of Education is responsible for the success of an effective school district in SD #59. The Board of Education fulfills this responsibility by providing oversight, establishing goals and setting policy to guide decision-making through a governance process that includes defining roles, relationships, structures and processes. The Board of Education is responsible to ensure the most effective and efficient use of public funds, as well as to ensure educational programs and services meet the needs of all students.

#### The role of the Board of Education is to:

- Govern in a manner that is responsive to its entire community;
- Act in the interests of all learners in the district;
- Advocate actively for students, their learning and well-being in the Board of Education's work with the community, the municipality and the province;
- Promote confidence in publicly-funded education through its communication about the goals and achievements of the Board of Education.

#### The Board of Education is responsible:

- For setting the overall direction for the school district through a multi-year strategic plan;
- For providing direction through its policy processes;
- To hold the district accountable for achieving results;
- To approve the way in which resources are allocated to schools and programs through the annual budget process;
- To listen to all requests and suggestions of stakeholders and refer them to the proper administrative authority. The duty of the trustee is to engage the executive staff in the resolution of problems, rather than seek to resolve problems individually;
- To be informed on district matters so that they can at all times give informed answers when citizens of the community ask them questions relative to the actions of the Board of Education or the practices within the district;
- To delegate administrative responsibility solely to the Superintendent/CEO;
- To support the Superintendent in their authorized functions;
- To encourage teamwork between the Superintendent and the Board of Education;
- To recognize that the resolution of all issues in schools is the duty of the Superintendent.

#### 3 Breaches and Sanctions

- 3.1 When there is a concern regarding misconduct, an attempt will be made to resolve issues early, with measures that are proportionate with the underlying factual content. When appropriate the chair or vice-chair may take an incremental approach: beginning with an informal complaint process.

- 3.3 The board must comply with its obligations to protect the privacy of others under the *School Act* and the *Freedom of Information and Protection of Privacy Act*.
- 3.4 The board may, at its discretion, and by resolution of the voting trustees, to promote public confidence, make public that the breaches and sanctions process was followed.

#### POLICY DEVELOPMENT

Board Approved and Issued: June 24, 1985

Last Revised: June 19, 2013; February 2022

#### Description:

- 1. The Board of Education shall determine and adopt policies in accordance with procedures that will facilitate the broadest possible consultation within the district, including district employees who may have special knowledge of, or particular interest in, the policy under consideration.
- 2. Policies may be proposed for adoption, amendment or repeal at any Board meeting, by any member of the Board or may be placed on the agenda for debate. Policies shall be adopted, amended or repealed by a majority vote of the members of the Board.
- 3. It is the wish and practice of the board to consult groups affected by a proposed new or changed policy prior to making its final decision.
- 4. Except in an emergency situation, a thirty (30) day circulation period will be allowed to permit those interested in reacting to the policy to submit their ideas to the Board.
- 5. The board reserves the right to formulate or delete policy and to modify existing policy for immediate implementation. Suggestions for new policy at Board level should be referred to the Policy Committee.
- 6. Suggestions for new policy or modifications to existing policy will be received by the board from the Superintendent of Schools and through them from any interested party (i.e. from the district).
- 7. Proposed policies will be screened on behalf of the Board to make sure that they are district wide in focus. Screening shall be done by a Policy Committee consisting of 2 Trustees, and the Superintendent of Schools (or designate), to properly write, title and code new policies.
- 8. Proposed policies which receive "approval in principle" from the Board will be circulated to all members of the district staff, principals, schools in the district, the Peace River South Teachers' Association, other organizations representing groups of school district employees and the District Parent Advisory Council. The Board may also post policy for feedback from the general public.
- 9. If a situation arises in which the Board must act quickly, the Board may propose, discuss, and adopt a policy at a single meeting. However, it is the practice of the Board to review such "emergency" policies after they have been in force for several months, to ensure that the policy is well-considered and remains appropriate for continued use.

- 10. Before any policy is finally adopted, the Board will expect to receive a report on the feedback obtained from the circulation period and a recommendation of disposition.
- 11. At the Board meeting, the proposed new or amended policy shall be presented by the chairperson of the Policy Committee and a motion will be made on the recommendation of that committee; the motion, if duly seconded, will then be voted upon, and if it is carried the policy as proposed will become official policy of the Board. (Amendments or changes may be suggested by any Trustee at the meeting, and, unless the amendments and changes are substantial, will not make it necessary for the proposed policy to be referred back to committee.)
- 12. The formal adoption of policies will be recorded in the minutes of the Board; only those written statements so adopted and so recorded shall be regarded as official policies of the Board. Policies will go into effect immediately upon adoption, unless a specific effective date is provided in the motion to adopt.
- 13. On an ongoing basis, the Board shall cause a review of the policies of the district to be made and shall receive the report on such review together with any recommendations for revision.
- 14. When action must be taken and the Board has provided no guidelines in policy, the Superintendent of Schools (or designate) shall have the power to act.
- 15. The decisions of the Superintendent of Schools (or designate), however, will be brought to the Board's attention at its next regular meeting. It shall be the duty of the Superintendent of Schools to inform the Board promptly of any emergency action taken, and, if appropriate, to alert the Board to the need for policy.
