Mr. Neale's wealth of experience and leadership will be an asset to the district.

4.0 PRESENTATIONS

5.0 CORRESPONDENCE

6.0 REPORTS FROM THE SUPERINTENDENT OF SCHOOLS

R6.1 School/Student News

The Superintendent reported school/student news:

- All schools held Pink Shirt Day activities to support kindness and inclusion.
- Devereaux Elementary students are enjoying the warmer outdoor weather activities including building snow sculptures. The basketball team won their last home game by 1 basket!
- Don Titus Montessori Elementary students were excited to go on a field trip to the Bear Mountain Ski Hill in Dawson Creek. Social, emotional, learning has been a focus of the school bulletin boards. The school celebrated Dr. Suess' birthday and students designed their own sock which was proudly displayed on the library bulletin board.
- Moberly Lake Elementary and CSS students held their annual ice fishing activity; students enjoy this day connecting with their peers, learning and supporting each other all while having fun!
- Chetwynd secondary School hosted a basketball tournament which included students organizing all the activities including a banquet.
- Tremblay Elementary students are working on numeracy and literacy. Students always enjoy connecting with buddy classrooms. Students enjoy friendly competition in the house team activities and during the cold days, the rock-climbing wall is a favourite activity.

- Some of the local firefighters showed up at Central Campus for a friendly game of basketball. Students are creating dimensions and geographic pictures, including building geometric towns. Students have also been creating cards for seniors and enjoying all the school activities during spirit week. The school held a 'Be on Time' challenge to get students to attend classes on time. The class with the best attendance record won milkshakes served by the school administration.
- DCSS South Peace Campus girls' basketball team travelled to Vancouver for provincials.
- Windrem Elementary students were excited to take a field trip to the Bear Mountain Ski Hill where the students all had a ski lesson and then enjoyed the rest of the day skiing. Students are also working on their communication and confidence by sharing a read aloud at the monthly assembly.
- Canalta Elementary students are creating food truck businesses. The students are creating a business model that includes developing menus, advertising and making one of the menu items that they will bring into the class for sharing. The students will also learn about financial literacy.

R6.2 2026-2027 School Calendar

The 2026-2027 proposed school calendar was circulated for feedback and brought back to the board for adoption. During the feedback period, two individuals provided written feedback. One commented on the scheduling of the parent-teacher interviews and the second was a suggestion to look at a 12-month calendar. After reviewing the feedback, no revisions were made to the proposed calendar.

R6.3 Tumbler Ridge Phase 1 and Phase 2 Updates

The Superintendent reported the District has worked very closely with the Ministry of Education and Child Care, Ministry of Infrastructure, Ministry of Finance and Safer Schools Together throughout the tragedy in Tumbler Ridge. The District continues to work with all the groups as we move forward in establishing a school community.

The team worked together to quickly establish a temporary school site. The Superintendent provided an update on the Phase 1 and Phase 2 plan for Tumbler Ridge students. Students were provided the opportunity to slowly return to their school spaces. The logistics of sharing space on the Tumbler Ridge Elementary School site were carefully planned with fencing and barriers in place to prevent students from accessing unsafe area.

Subject: Invitation to the District of Tumbler Ridge Let's Talk

Dear Mr. Anderson,

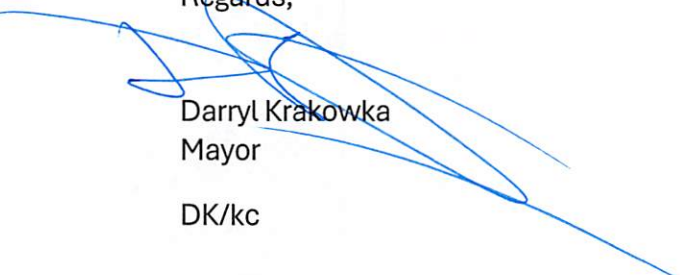

At the March 9, 2026, Policies and Priorities Committee meeting, Council passed a motion to host a Let's Talk Forum with residents and to invite School District 59 to participate. Let's Talk Forums are informal, community-focused gatherings that provide an opportunity for open dialogue between Mayor and Council, local organizations, and residents on topics of interest and concern.

In light of the recent tragedy in the community, Council highlighted the importance of creating a space where residents can receive updates from the School District and ask questions in a supportive, open environment. Your participation would be greatly valued as a key partner in our community. Council has chosen to host this event with the community on April 29, 2026 at 6:00 PM at the Community Centre.

If the School District accepts this invitation to attend the Let's Talk with Mayor and Council, you can confirm your attendance with Karen Curry, Executive Assistant to the CAO, Mayor and Council, at kcurry@dtr.ca.

We look forward to your participation and to continuing our collaborative work in support of the community.

Regards,

Darryl Krakowka
Mayor

Dear Christy Fennell:

Re: Child Care Capital Funding Program
ChildCareBC New Spaces Fund
Agreement #C2454060013017

I am writing in response to your request for additional funding to support the completion of your ChildCareBC New Spaces Fund project #13017, located at 11311 13A Street, Dawson Creek, BC, V1G 3X8. The ministry has completed its review of the information submitted by your organization that outlines the factors and circumstances on which your request is based and following letter outlines the Ministry's response and related next steps.

The New Spaces Fund recognizes the unprecedented challenges encountered by many organizations building new community infrastructure across BC since 2019. It is not uncommon for projects to experience delays and cost escalations, including projects in the child care sector.

In recent communication with the ministry, you have clearly identified the challenges and additional costs experienced and expected by your project. To demonstrate that all possible measures to manage costs had been undertaken, the ministry requested you consider cost management strategies including accessing contingency funds, seeking out other funding sources where available, potential savings in design features or construction materials and a value engineering assessment. We recognize your efforts and acknowledge you have worked with the ministry to address and reduce cost pressures as much as possible. Thank you for engaging in the review process and the submission of additional documentation for review.

The ministry is satisfied that you have undertaken all available opportunities to manage escalations and your project is at risk of completion without additional funding. As such,

your request for \$2,947,085.00 has been approved. As a result, the Funding Agreement, with an updated payment schedule, will be sent to you, and can be signed and returned, electronically. **Approval of this funding does not create any expectation or commitment, on behalf of the Province, to any additional funding for this project in the future.**

As per section 10.2 of your Funding Agreement, any additional cost escalations incurred during the remainder of your project will be the responsibility of your organization. Additionally, as per section 19.2 of the agreement, you will provide the Province with 14 business days advance notice of any planned communication or media interviews in relation to this additional funding and will not proceed with such planned communication without written approval from the Province.

If you have any questions regarding this letter or your Funding Agreement, please direct them to cccf@gov.bc.ca, Attn: Service Delivery Manager, Funding Models and Capital Grants Branch or toll-free at 1-888-338-6622 (option 5).

Thank you for your continued commitment to creating new child care spaces in your community.

Dear Peter Neale:

Re: Funding for Modular Classroom Complexes at Tumbler Ridge Secondary

I am writing to inform you that the Ministry of Infrastructure (the Ministry) will provide one-time funding of \$2,603,052 to the Peace River South School District (the School District) for modular classroom complexes for Tumbler Ridge Secondary.

All ownership, rights and access for the modular classroom complexes belong to the School District.

Given the extraordinary circumstances and out of convenience, the Ministry agrees to make payments directly to the vendors on behalf of the School District.

The School District is expected to use the modular classroom complexes for at least two years for the purpose of classrooms. If this expectation is not met, the Ministry may require repayment of funds.

If there are any questions regarding this funding, please feel free to contact contact me by email at Damien.Crowell@gov.bc.ca, or by phone at 250-893-6477.

Sincerely,

School District No.59 (Peace River South)

April 22, 2026

To: The Board of Education of School District No. 59 (Peace River South)

Final approval for the student trip to Ottawa, Quebec, Montreal and Toronto, May 27 – June 5, 2026

This letter is to inform you that Dawson Creek Secondary School: Central Campus teacher, Kaelee Vincent and school principal, JoAnne Malkinson are proceeding with the final planning for a student trip to Ottawa, Quebec, Montreal and Toronto from May 27, 2026 to June 5, 2026 and the trip is ready for final approval.

This trip is for 10 female and 10 male students in grades 8 and 9 at Dawson Creek Secondary School. The final itinerary has students traveling to Quebec City for guided walking and sightseeing tours. The students will venture to Montreal for similar schedule of sightseeing and guided tours for the two-day visit. There is one activity (Circus School Workshop) the students will engage in while in Montreal where additional work was required to ensure student safety was addressed and communication to parents was completed so they are aware of what the activity will entail. The activity has been part of the itinerary supported by EF Educational Tours. The students will continue onto Ottawa for two days and visit museums and Parliament Hill. The culmination will be in Toronto for two days where they will ascend the CN Tower, visit Kensington Market, China Town and culminate with a visit to Niagara Falls.

The trip is booked through EF Educational Tours, a well-established Canadian company with over 55 years of experience offering educational trips for students. The EF Tours website describes their mission and foundation: Our company's roots are in language learning and cultural exchange, and over time, EF's mission to provide immersive, life-changing education has remained the same (<https://www.eftours.ca/our-story>).

Based upon the paperwork received, this trip will be a valuable experience for our students providing them with authentic experiences and memories that will last a lifetime.

Recommendation: THAT the Board of Education of School District No. 59 (Peace River South) grant final approval to Dawson Creek Secondary School – Central Campus to proceed with the French Immersion Trip to Quebec & Ontario from May 27, 2026 to June 5, 2026.

Thank you for considering this final request.

Sincerely,

Caron Jones

School District No. 59 (Peace River South)

April 22, 2026

To the Board of Education of School District No. 59 (Peace River South)

Regarding approval in principle to proceed in planning a student trip to Greece during Spring Break 2027.

This letter is to inform you that Mr. Sean Cowie, Vice Principal at Dawson Creek Secondary School: South Peace Campus has asked for approval to begin the formal planning process for a student trip to Greece in the spring of 2027.

The trip would be open to grade 11 and 12 students from Dawson Creek Secondary School: South Peace Campus. The tentative itinerary has students traveling to cities in Greece to tour areas known to be predominantly classical mythology and ancient history. The tentative trip dates are March 13th – March 26th, 2027, during Spring Break. The trip is being booked through EF Educational Tours, a well-established Canadian company with over 55 years of experience offering educational trips for students. The EF Tours website describes their mission and foundation: Our company's roots are in language learning and cultural exchange, and over time, EF's mission to provide immersive, life-changing education has remained the same (<https://www.eftours.ca/our-story>). School District No. 59 students will be responsible for the cost of international travel, visitor visa and administration fees. The total cost for each student to travel will be approximately \$7,500. Mr. Cowie has significant plans to work with the students to offset costs through fundraising activities.

The trip includes typical tourist activities, cultural events, and organized tours of historically significant sites.

Based upon the paperwork received to date, this trip could be a valuable experience for students, providing them with authentic experiences and memories that will last a lifetime.

Recommendation:

THAT, the Board of Education of School District No. 59 (Peace River South) grant approval, in principle, to Dawson Creek Secondary School - Central Campus to proceed with planning the international field trip to Greece in the spring of 2027.

Mr. Paul Chisholm will continue to work with the trip organizers to ensure that students' safety is at the forefront in their planning.

Sincerely,

Caron Jones
District Vice Principal

Destination Safety ? Canadian Travellers

Purpose:

This process illustrates how EF Educational Tours (EF) assesses destination safety for Canadian student travellers, adult travellers, and staff. It provides EF Leadership with the necessary tools, knowledge, and resources, to make informed decisions.

Context:

As the leading student travel organization in Canada, we have been serving educators across the country for 40 years and have a legacy of putting student safety first. EF consults a variety of sources in addition to the Government of Canada when making decisions related to the safety of a destination.

Roles and Responsibilities:

- **EF Leadership:** EF's CEO is responsible for final decisions related to travel destinations.
- **Safety and Incident Response Team:** Monitors real time data to stay informed on world events 24/7. This team is located in offices worldwide, including: Zurich, Sydney, Panama and Boston. Additionally, the team manages on-tour cases in real time.
- **Local Offices and Schools:** EF has offices in over 50 countries with long established relationships, keeping teams informed of any disruptions happening in their region.
- **On Tour Support Team:** Is located in Canada and is available 24/7 to support our customers. This team will reach out proactively as necessary to ensure updates are shared with our travellers, families, and school partners in a timely fashion.
- **Tour Directors:** Contracted employees that travel with every EF group, supporting them around the clock/at all times/24/7. TDs provide real-time safety briefings for travellers at destination and are trained in a variety of scenario response protocols to address escalated situations in real time. If necessary, EF has a network of 50,000 global staff and contractors working across hundreds of offices and schools in nearly every destination we travel. This allows EF to mobilize additional support to be with groups quickly in the unlikely event that an on-tour challenge arises.

Process Steps:

1. **Step 1: Review a multi-faceted collection of information related to on-the-ground safety, including:**
 - The Government of Canada risk levels for destination:
<https://travel.gc.ca/travelling/advisories>
 - The US State Department risk levels:
<https://travel.state.gov/content/travel/en/traveladvisories/traveladvisories.html/>

- **ISO 31030:** Provides a systematic approach to developing, implementing, and evaluating an effective travel risk management policy and identifying, assessing, and dealing with travel risks.

- **Crisis 24:** EF works directly with Crisis 24 for real-time updates related to risk in countries around the world. Crisis 24 is an external risk management consultant focused on traveller safety <https://crisis24.garda.com/>
- **Amadeus (Mobile Messenger):** Our relationship with Amadeus (airline booking engine) allows us to monitor all staff and passenger flights in real-time.
- **Internal Case Management System:** Allows EF staff to document and track all on-tour incidents in real-time and react accordingly.
- **Safety Briefings:** Every one of our tours is accompanied by a Tour Director that is contracted and trained by EF. Our Tour Directors are trained to provide safety briefings prior to certain visits or activities. This includes briefings specific to: crowd safety, food and health safety, personal safety, swim safety, etc...
- **Worldwide EF Network:** Our global network of over 50,000 staff and contractors across 600 offices and schools in over 50 countries allows us to mobilize additional support to be with groups incredibly quickly in the unlikely event that a challenge arises while students are on tour. Our teams are trained each year in scenario response protocols and help us adjust itineraries and travel plans on a moment's notice in the off chance we need to make a change.

Policies, Processes & Offerings

Selection Process for Sub-contracted Tour Guides/Trip Partners

E.g. restaurants, motels, security firms

As a global company, EF works with suppliers around the world. The EF Safety First program takes operational preventative measures to help ensure the safety and welfare of our travellers on all our tours. This includes comprehensive background checks and vetting processes. EF's Safety First program is aligned with ISO 31000: Risk Management Guidelines, which allow for proactive and continuous management of risk. Aspects which relate to sub-contractors/ suppliers include:

- creating and using supplier screening criteria (e.g. for hotels and buses), relevant for our North American customers (and often more detailed than local safety standards).
- maintaining supplier contracts that contain specific safety clauses to reflect our standards.
- completing supplier safety checks/spot checks/risk assessments to confirm criteria are met.
- routinely vetting destinations, itineraries, and activities for a number of safety factors.
- consulting with World Aware, Overseas Security Advisory Council, and other risk specialists, lawyers and insurers to make ongoing safety-related decisions.

EF also requires Group Leaders to submit evaluations for all restaurants, hotels and activities, ensuring our standards are being kept up to date with all groups travelling. If a supplier receives a negative review (on EF tour), our Procurement Team follows up to investigate.

Selection Criteria for Guides/Guide Companies

E.g. qualifications, insurance, bonding, licensing, criminal background checks

EF contracts our Tour Directors, recruiting and training them through our Tour Director Department. Tour Directors typically hail from the country in which the group is travelling and are with the group from the moment they land to the moment they depart back to Canada. Tour Directors are the first point of contact in the event of emergency and work closely with EF teams throughout the world. Tour Directors undergo background checks

School District No. 59 (Peace River South)

April 22, 2026

To: The Board of Education of School District No. 59 (Peace River South)

Agenda Item: R6.3 Windrem Elementary Mural Request

The Principal at Windrem Elementary is requesting approval for a mural that students will have the opportunity to paint with Artist in Residence, Wayne LaRiviere on May 21 & 22, 2026.

Prior to the painting project, the students are working on a biodiversity unit in their science class and will have special guest speakers from the Conversation Officer Service and from the Treaty Rights and Environmental Protection department at Sauleteu First Nations. The students will learn about specific fish that live in Moberly Lake.

The mural is being proposed to be mounted on an exterior wall of the library (on the playground side of the school).

Sample sketch of the proposed mural:

Recommendation:

THAT, the Board approve Windrem Elementary School to proceed with planning the wall mural as presented;

WHEREAS, the planning must follow the process as established in Policy 6060.

Tumbler Ridge Phase 2 Update

Phase 2 continues to be worked on, which delayed the start up by a few weeks. Double-wide portables are in place to become classrooms in this next phase. At this time, we continue to work on the walkways, the hook ups of phones, PA systems, fire alarms, power hook-ups, and the installation of shelving, projectors, screens, and whiteboards.

When the dates are finalized for the move, we will communicate that out to students and families as soon as we know. We do not want to keep having to change the dates, so we are waiting for official dates and not predictions. When it is ready, there will be a day without students so that teachers can set up their new classrooms, a second day where students and parents/guardians can visit the new campus, and then the third day will be a return to classes. We are hoping this transition will occur early in May.

In the following pictures you will see the thawing of the ground, the concrete for the portables, the ramps have been completed, and the walkways are currently being constructed.

While waiting for Phase 2, we have decided to get the trades trailers up and running for classes to use. The District of Tumbler Ridge has been kind enough to let us stage them at the lower parking lot of the recreation center so that students and teachers can start having class in them. Once again, a big thank you to the Nicola Valley Institute of Technology for loaning these to us for the rest of this school year.

When we have moved into Phase 2, we will be working with the Ministry of Infrastructure to restore the field where Phase 1 was located. We greatly appreciate the District of Tumbler Ridge allowing us to use this space.

Superintendent, SD59

Dear Christy Fennell:

Thank you for your organization's Capital Plan Submission, which was provided last year to the Ministry of Infrastructure.

This letter provides:

- 1) Direction for advancing supported capital projects in your submission (Appendix A).
- 2) Important information regarding your upcoming Capital Planning submission (Appendix B).

If you have questions about the information provided, please reach out to me or the contacts provided in the attached materials.

Sincerely,

A handwritten signature in black ink, appearing to read "Bobbi Plecas".

Projects in Business Case Development

New Projects

There are no new projects identified at this time to proceed to business case development.

Minor Capital Projects

The table below reflects minor capital projects that are approved for funding and can proceed to procurement in the following program areas:

- School Enhancement Program (SEP)
- Food Infrastructure Program (FIP)
- Carbon Neutral Capital Program (CNCP)
- Building Envelope Program (BEP)
- Playground Equipment Program (PEP)
- Bus Acquisition Program (BUS)

Funding allocation for minor capital projects

Facility Name	Program Project Description	Amount funded by Ministry
Don Titus Montessori	SEP - Roofing Upgrades	\$650,000
Tremblay Elementary	SEP - Roofing Upgrades	\$650,000
Tremblay Elementary	CNCP - HVAC Upgrades	\$575,000
Crescent Park Elementary	FIP - Kitchen Equipment and Infrastructure Upgrades	\$40,000
A-1591	INTERNAL COMBUSTION ENGINE – Type C with 0 wheelchair space(s)	TBD
A-1593	INTERNAL COMBUSTION ENGINE - Type C with 0 wheelchair space(s)	TBD

These projects are now to proceed to design, tender and construction and to be completed by March 31, 2027.

School bus purchase approvals will have funding amounts confirmed after school districts place their order(s) with bus vendors through the upcoming Bus Standing Offer process.

Note the Ministry will provide funding for Type A2 and Type C buses, however, will not provide funding towards new or replacement Type D buses. School districts that wish to purchase a Type D bus may do so, however will be required to pay the difference in cost between the Type D bus and the Type C funding provided by the Ministry.

Bus funding amounts will be as identified in the Bus Standing Offer for the base cost of the chosen Type A2 or Type C bus, plus up to \$20,000 per bus in options, plus cost of wheelchair spaces (if applicable), plus cost of seat belted seats (if applicable), plus GST and PST.

The Ministry will not provide additional funding or compensation for any costs or fees associated with the Bus Standing Offer.

Please refer to the attached 2026/27 School Bus Purchasing Letter for additional details.

An Annual Programs Funding Agreement (APFA) accompanies this Letter which outlines specific Ministry and Board-related obligations associated with the approved Minor Capital projects for the 2026/27 fiscal year. Please email a signed/dated copy of the Annual Programs Funding Agreement to the Ministry at CMB@gov.bc.ca.

In accordance with Section 143 of the *School Act*, Boards of Education are required to adopt a single Capital Bylaw. A Capital Bylaw identifies the Board's acknowledgement of the approved project and its responsibility to meet capital projects scope, schedule, and budget. The template for the Capital Bylaw can be found on the Ministry's website in the [Publications and Resources](#) section. Please use the Capital Bylaw Number provided at the top of Appendix A for the supported and/or approved 2026/27 Five-Year Capital Plan projects as identified in this letter. The Capital Bylaw must be adopted by your Board and uploaded onto your School District's online MyCAPS portal in order for the Ministry to issue Certificates of Approval. A step-by-step guide of this process is attached for your reference.

Note on Public Announcements

Prior to any public announcements pertaining to any of the projects identified in this document, please have your communications staff contact the Ministry of Infrastructure's communications lead - Preet Grewal, Communications Director, Ministry of Infrastructure Government Communications and Public Engagement, at preet.grewal@gov.bc.ca.

Project Signage

Projects proceeding to construction require a BC Government '[StrongerBC](#)' construction sign. Signs should be affixed once fencing is up. Please connect with your Ministry of Infrastructure contact when you are ready to begin design work on the construction sign for the project.

Terms on Management of Capital Projects

Existing terms and conditions for capital projects remain in effect. For more information and resources, please visit the [Capital Management Site](#).

Capital Procurement

Please ensure that all procurement is undertaken in accordance with the [Capital Asset Management Framework \(CAMF\)](#) for public sector bodies. Specifically, procurement must be fair, open, competitive, transparent, and must effectively manage budget and schedule risk. This includes conducting conflict of interest checks to identify any business or professional relationships between members of the capital project procurement team (and their advisors) and the proponents.

All priority investment projects require a procurement options analysis and may be audited to confirm that all procurement activities have been undertaken in accordance with CAMF.

School Site Acquisition Charge

As part of the Board's 2026/27 approved capital plan, the eligible school site requirement set out in the final resolution of the Board of Education in accordance with s. 574(5) of the *Local Government Act*, is accepted by the Ministry.

The local government may commence the collection of an applicable per dwelling unit charge from residential developers on behalf of a Board after the Board's adoption of a bylaw setting the School Site Acquisition Charges for the School District as s. 575(3) of the *Local Government Act* prescribes. The School Site Acquisition Charge may only come into effect 60 days (including weekends and holidays) after that bylaw is adopted by a Board of Education.

Please contact CMB@gov.bc.ca with any questions regarding School Site Acquisition Charges.

Appendix B: Information for Annual Five-Year Capital Planning submissions

Updated Capital Plan Instructions for the Annual Five-Year Capital Plan submission process will be available on the Ministry's [Capital Management Site](#) in early April 2026.

School districts' capital plan submission deadlines are:

- **May 15, 2026**
 - 2026/27 Child Care Capital Program (SASG)
- **May 15, 2026**
 - 2026/27 Minor Capital Programs (AFG)
- **June 30, 2026**
 - 2027/28 Major Capital Programs (SMP, EXP, REP, RDP)
- **September 29, 2026**
 - 2027/28 Minor Capital Programs (SEP, CNCP, PEP, BUS, FIP, BEP)

For school district project planning purposes, the Annual Facility Grant (AFG) Allocation Table will be available on the Ministry's website in the [K-12 Capital Planning Resources](#) section in early April 2026.

The Ministry recommends school districts discuss draft versions of their intended capital projects requests with Child Care, Minor and Major [Capital Branch Staff](#) well in advance of the submission deadlines noted above.

The staggered deadlines are intended to provide the Ministry with input required to initiate planning for the current and next budget cycle, while enabling school districts additional time and flexibility to plan over the summer.

**CAPITAL BYLAW NO. 2026/27-CPSD59-01
CAPITAL PLAN 2026/27**

WHEREAS in accordance with section 142 of the School Act, the Board of Education of School District No. 059 (Peace River South) (hereinafter called the "Board") has submitted a capital plan to the Minister of Infrastructure (hereinafter called the "Minister") and the Minister has approved the capital plan or has approved a capital plan with modifications,

NOW THEREFORE in accordance with section 143 of the School Act, the Board has prepared this Capital Bylaw and agrees to do the following:

- (a) Authorize the Secretary-Treasurer to execute a capital project funding agreement(s) related to the capital project(s) contemplated by the capital plan or the capital plan with modifications;
- (b) Upon ministerial approval to proceed, commence the capital project(s) and proceed diligently and use its best efforts to complete each capital project substantially as directed by the Minister;
- (c) Observe and comply with any order, regulation, or policy of the Minister as may be applicable to the Board or the capital project(s); and,
- (d) Maintain proper books of account, and other information and documents with respect to the affairs of the capital project(s), as may be prescribed by the Minister.

NOW THEREFORE the Board enacts as follows:

- 1. The Capital Bylaw of the Board for the 2026/27 Capital Plan as approved by the Minister, to include the supported capital project(s) specified in the letter addressed to the Secretary-Treasurer and Superintendent, dated March 27, 2026, is hereby adopted.
- 2. This Capital Bylaw may be cited as School District No. 59 (Peace River South) Capital Bylaw No. 2026/27-CPSD59-01.

STUDENT WITHDRAWAL

Board Approved and Codified:

Last Revised:

Description:

The Board of Education recognizes the importance of implementing formalized procedures for course withdrawals and establishes this policy and regulation in accordance with the British Columbia Ministry of Education and Child Care policy and the School Act. These decisions will be made taking into account the best interest of the student and in consultation with their parent/guardian.

STUDENT WITHDRAWAL

Board Approved and Codified:

Last Revised:

Description:

The Board of Education acknowledges that there may be a valid reason for a student to withdraw from a course of studies from a particular subject area. It is expected that a formal procedure will be followed, typically involving the principal/vice-principal, the student and the parent/guardian. In special circumstances, the district staff person for the school may also be involved.

The Board expects schools to develop their own school-specific procedures/forms for withdrawal requests in order to facilitate student tracking and record purposes.
