FROM: Peter Neale
Secretary-Treasurer
RE: Child Care Spaces 2026-27

Purpose

For the Board of Education to consider and provide three (3) readings for a capital bylaw for the provision of expanded before and after-school care child care spaces.

Appendix

2026-06-19 BC Government (Approval Letter)

DRAFT Capital Bylaw

Background

The Operational Start Up Fund for School Age Care helps school districts and eligible child care operators to expand or create new school age care programs on school grounds by assisting with initial operational costs. Funding is provided for operational start-up expenses to help support the opening and operating of new school age spaces on school grounds. Eligible operators can receive \$1,500 for each new school age care space, up to a maximum of \$150,000 per site.

For 2026-27, the Province has launched the ChildCareBC Operational Start-Up (OSU) Fund to expand access to before- and after-school care through cost-effective, school-based models delivered in partnership with Boards of Education. OSU funding is available to Operators associated with an approved 2026-27 Child Care Capital project administered through the Ministry of Infrastructure. OSU provides direct financial support to Operators to bring newly built spaces into service. This support builds on recent amendments to the School Act, making it easier for Boards of Education to offer child care on school grounds, including on non-instructional days.

Considerations

Funding Requested (Before/After School Care Programming)

- \$144,000 Canalta School
- \$72,000 Crescent Park School

Recommendation

The capital bylaw is provided here with the recommendation of the Secretary-Treasurer for the Board of Education's consideration.

In accordance with Section 143 of the *School Act*, Boards of Education are required to adopt a single Capital Bylaw. A Capital Bylaw identifies the Board's acknowledgement of the approved project and its responsibility to meet capital projects scope, schedule, and budget. The template for the Capital Bylaw can be found on the Ministry's website in the [Publications and Resources](#) section. Please use the Capital Bylaw Number provided at the top of Appendix A for the supported and/or approved 2026/27 Five-Year Capital Plan projects as identified in this letter. The Capital Bylaw must be adopted by your Board and uploaded onto your School District's online MyCAPS portal in order for the Ministry to issue Certificates of Approval. A step-by-step guide of this process is attached for your reference.

Note on Public Announcements

Prior to any public announcements pertaining to any of the projects identified in this document, please have your communications staff contact the Ministry of Infrastructure's communications lead - Preet Grewal, Communications Director, Ministry of Infrastructure Government Communications and Public Engagement, at preet.grewal@gov.bc.ca.

Project Signage

Projects proceeding to construction require a BC Government [StrongerBC construction sign](#). Signs should be affixed once fencing is up. Please connect with your Ministry of Infrastructure contact when you are ready to begin design work on the construction sign for the project.

Terms on Management of Capital Projects

Existing terms and conditions for capital projects remain in effect. For more information and resources, please visit the [Capital Management Site](#).

Capital Procurement

Please ensure that all procurement is undertaken in accordance with the [Capital Asset Management Framework \(CAMF\)](#) for public sector bodies. Specifically, procurement must be fair, open, competitive, transparent, and must effectively manage budget and schedule risk. This includes conducting conflict of interest checks to identify any business or professional relationships between members of the capital project procurement team (and their advisors) and the proponents.

All priority investment projects require a procurement options analysis and may be audited to confirm that all procurement activities have been undertaken in accordance with CAMF.

School Site Acquisition Charge

As part of the Board's 2026/27 approved capital plan, the eligible school site requirement set out in the final resolution of the Board of Education in accordance with s. 574(5) of the *Local Government Act*, is accepted by the Ministry.

The local government may commence the collection of an applicable per dwelling unit charge from residential developers on behalf of a Board after the Board's adoption of a bylaw setting the School Site Acquisition Charges for the School District as s. 575(3) of the *Local Government Act* prescribes. The School Site Acquisition Charge may only come into effect 60 days (including weekends and holidays) after that bylaw is adopted by a Board of Education.

Please contact CMB@gov.bc.ca with any questions regarding School Site Acquisition Charges.

DATE: 2026-06-24

FROM: Peter Neale

RE: Statutory Right-of-Way Bylaw: BC Hydro

Purpose

To provide information and seek support for the Board of Education to adopt a statutory right-of-way bylaw for BC Hydro at Crescent Park School.

Appendix

DRAFT Statutory Right-of-Way Bylaw (includes map)

Background

BC Hydro proposes to register a Statutory Right-of-Way on land owned by The Board of Education of School District No. 59 (Peace River South) ("Board") legally described as:

9300 17 St, Dawson Creek, BC legally described as LOT 1 SECTION 22 TOWNSHIP 78 RANGE 15 WEST OF THE 6TH MERIDIAN PEACE RIVER DISTRICT PLAN PGP47045 (the "Property");

BC Hydro proposes to install works on the Property with the approximate location of the works shown on the drawing attached to the Agreement. Prior to installation of the works, BC Hydro requests that the school district grant BC Hydro a Statutory Right of Way.

In the event that the land is damaged or the right-of-way is no longer needed, BC Hydro will either compensate the school district for such damage, cutting, or removal, or repair the affected portion of the land, underground civil works, structures, buildings, or improvements as closely as practicable to their condition immediately prior to the damage or installation.

BC Hydro also covenants to indemnify the school district against all liability incurred by the school district arising out of any claim due to the negligence or wilful misconduct of BC Hydro.

Considerations

BC Hydro is requesting a statutory right-of-way in connection with an upcoming transformer replacement and electrical undergrounding project, including the transformer upgrade in the surrounding area. BC Hydro is undertaking this work to improve the reliability and safety of electrical infrastructure serving the Dawson Creek area.

BC Hydro will be placing the cables underground via a trench which will be filled in after construction is complete. There will be a service box installed as well, and it will be at grade and covered.

The works would pass through the school district property and connect the two neighbouring properties of PID# 028-242-815 and 011-482-311.

Based on the location, there are no current or anticipated future plans for school district development or educational purposes that would interfere with the statutory right-of-way.

Recommendation

The statutory right-of-way bylaw is provided here with the recommendation of the Secretary-Treasurer for the Board of Education's consideration.

The Board of Education may consider three (3) bylaw readings over two meetings where one meeting hold two (2) readings.

In the event the Board of Education may prefer three (3) bylaw readings in the same meeting, a vote is required to allow for three (3) readings in the same meeting. To hold all three (3) readings of a bylaw in a meeting will require all trustees in quorum to agree by motion.

"THAT Bylaw No. 2026-02 (Statutory Right-of-Way) of the Board of Education dated June 24, 2026 be read a first time."

"THAT Bylaw No. 2026-02 (Statutory Right-of-Way) of the Board of Education dated June 24, 2026 be read a second time."

"THAT the Board allows the third reading of Bylaw No. 2026-02 (Statutory Right-of-Way) to occur in the June 24, 2026 meeting."

"THAT Bylaw No. 2026-02 (Statutory Right-of-Way) of the Board of Education dated June 24, 2026 be read a third time, passed, and adopted."

END OF DOCUMENT

June 22, 2026

To: The Board of Education of SD59 (PRS)

RE: Trustee Remuneration

SD59's trustee remuneration is set in policy & regulation 2205 Trustee Remuneration, Benefits and Recognition.

In the spring of 2021 and 2022, I proposed motions to pause the annual CPI increases to the trustee stipend that are indicated in the policy and regulation. In comparing our base trustee stipend to 10 similarly sized districts, I believed that the SD59 base trustee stipend was surpassing the average by too great a degree. The board of the day supported those motions.

I would like to see that approach enshrined in policy, to provide a sensible and justifiable "auto-pilot" for the trustee stipend in the future.

Furthermore, I believe that chair and vice chair stipends should be set by the same method as has been used with regard to the trustee base amount in the past. The existing policy sets a fixed additional \$1000 stipend for the vice chair and \$2000 for the chair, which has been out of sync with similar-sized boards for some time.

My proposed amendment to the policy would allow the trustee, vice chair and chair stipends to rise each year with inflation (Canadian CPI). Brakes would be applied to any of those three stipends independently, similar to our past approach with the trustee base stipend, if they were trending above our similarly-sized districts. My proposed amendment specifically sets the limit at 5% above the average of our similarly-sized districts. The definition of similarly-sized districts is set in the amendment; the 10 nearest districts in size, by student population.

If past trends continue, the chair and vice chair stipends could be expected to gradually align with similar districts in the future.

With regard to process, trustee motions such as this one are not our usual approach to policy amendment. While allowed in our policy and regulation 2250 Policy Development, section 2, trustee motions to directly amend policy are not preferred. Normally, policies are referred to the policy committee, then after careful drafting by the policy committee, amendments are brought back to the board for circulation, debate and adoption. In April 2025, such a referral motion was passed by the board, but other priorities have taken precedence in policy committee in the intervening year.

However, I believe that it is less than ideal for a board to make significant changes to trustee remuneration, except at the end of the term of the board, when the electors have the immediate opportunity to decide who will be the recipients of that remuneration. For this reason, I would recommend this change to trustees to be circulated for public feedback, with a 30 day circulation period, with the expectation that a special open meeting will take place before the election

nomination period in September to adopt or defeat the proposed amendment, so that trustee candidates will have clarity about the terms of the position.

As normal, if trustees prefer, they also have the option to defeat the motion to circulate, or to make another referral to the policy committee.

In drafting my proposed amendment on the existing policy, I have indicated additions in **bold**, and deletions in ~~strikethrough~~.

Chad Anderson, Trustee Electoral Area IV

My motion reads:

THAT, the following amendment to Regulation 2205, be circulated for feedback for a period of 30 days.

1 A stipend shall be paid to members of the Board of Education as follows:

1.1 Trustee, vice chair and chair stipends ~~All Trustees will receive a base amount that will be adjusted annually based on the Canadian Consumer Price Index (CPI) established in July of each year. (The base amounts and any further remuneration for each member of the Board of Education will be reflected in the SOFI Report and can be found on the School District #59 website);~~

1.2 The effect of the annual adjustment in section 1.1 shall be limited for any position (trustee, vice chair or chair), such that SD59 stipends shall be no more than 5% above what the BCSTA Trustee Compensation Survey shows for each position, in the prior year, for the average of the 10 districts nearest in size, by student population.

~~1.2 The Vice Chair will receive \$1,000 annually in addition to the base amount;~~

~~1.3 The Chair shall receive \$2,000 annually in addition to the base amount;~~

~~1.4~~ **1.3** The annual stipend shall be paid to each Board member in twelve equal installments. Remuneration shall commence the month immediately following an official school trustee election.

FURTHERMORE, at circulation of the proposed amendment, an accompanying report from the Secretary Treasurer will be provided that shows both:

- the current SD59 stipends for trustee, vice chair and chair, and
- the average stipends for trustee, vice chair and chair, of the 10 districts nearest in size, by student population, using data from the latest BCSTA trustee remuneration survey.

RE: Trustee Remuneration – Information Request

Purpose

To provide information to the Board of Education regarding the recommendation for amendments to Regulation 2205 “Trustee Remuneration, Benefits and Recognition” provided by Chair Anderson.

Appendix

Data on School District Comparators

Background

Under Regulation 2205 “Trustee Remuneration, Benefits and Recognition”, current language is:

1 A stipend shall be paid to members of the Board of Education as follows:

1.1 All Trustees will receive a base amount that will be adjusted annually based on the Canadian Consumer Price Index (CPI) established in July of each year. (The base amounts and any further remuneration for each member of the Board of Education will be reflected in the SOFI Report and can be found on the School District #59 website);

1.2 The Vice Chair will receive \$1,000 annually in addition to the base amount;

1.3 The Chair shall receive \$2,000 annually in addition to the base amount;

1.4 The annual stipend shall be paid to each Board member in twelve equal installments. Remuneration shall commence the month immediately following an official school trustee election.

Considerations

Board Chair Anderson, as the proponent of the proposed motion on amendments to Regulation 2205 “Trustee Remuneration, Benefits and Recognition”, requested that the Secretary-Treasurer provide:

- the current SD59 stipends for trustee, vice chair and chair, and
- the average stipends for trustee, vice chair and chair, of the 10 districts nearest in size, by student population, using data from the latest BCSTA trustee remuneration survey.

Information requested is provided in the Appendix.

The ten (10) comparators, based only on the number of students reported through the BCSTA, are as follows:

Rocky Mountain
Sunshine Coast
Nechako Lakes
qathet
Pacific Rim
Kootenay-Columbia
Qualicum
Quesnel
Cariboo-Chilcotin
Kootenay Lake

Comparators were not considered based on geographic location or any other demographic profile (only student enrolment).

In the data provided, Peace River South is the baseline, and the ten (10) comparators are shown with the min/max, average and median. Note that results would vary depending on a smaller or larger comparator group.

Also provided are the “max” and “next max” comparators in the spreadsheet to show the range.

Peace River South is below the comparator average for all three positions, with the gap most notable for the Chair and, to a lesser extent, the Vice-Chair. The Trustee amount is essentially aligned with the comparator average, at only \$92 below average.

The Chair average appears somewhat pulled upward by the high maximum, with Sunshine Coast at \$30,016. This is why the average Chair remuneration of \$21,876 is higher than the median of \$21,469. Peace River South is about 9.5% below the Chair average.

For Vice-Chair, the comparator average is \$19,989, while the median is lower at \$18,584. Peace River South's Vice-Chair remuneration of \$18,808 is below the average but slightly above the median. This suggests Peace River South is close to the middle of the comparator group for Vice-Chair remuneration, even though it is below the arithmetic average.

For Trustee, Peace River South is very close to the comparator average and above the median. This indicates the base Trustee remuneration is relatively well aligned with the selected districts.

Peace River South's Trustee remuneration is well aligned with the comparator group. The Vice-Chair remuneration is also reasonably aligned, particularly when compared to the median. The Chair remuneration is the area furthest below the comparator average and median.
