

*BOARD REVIEW OF REGULATIONS*

Board Approved: June 24, 1985

Last Revised: June 19, 2013; February 2022

---

Description:

1. Regulations will be properly coded and titled in conformance with the codification system used by the Board, and will, if appropriate, be filed with Board policy in the Board's policy manual. They will also be disseminated to the people and groups affected by them.
2. The Superintendent of Schools and the Principals issue a number of administrative procedures and handbooks for staff and students; these need not be approved by the Board, although the board will be provided with copies for its information.
