

6000 Health and Safety

Policy 6000 STATUS: ADOPTED

HEALTH AND SAFETY

Adopted: March 16, 2005

Last Revised: June 19, 2013

Description:

The Board of Education is committed to maintaining healthy and safe work environments at each District facility.

The Board supports the role of the District Occupational Health and Safety Committee toward monitoring facilities and practices to ensure healthy, safe, environments and for promoting safe work practices throughout the District.
