Principals report (Kristy Rose):

- T-shirt order – Would the PAC be able to reimburse \$102.17 for Parkland t-shirts?
 - Nadine – Yes, that's standard every year I think.
- Sweatshirt/pants fundraiser – I was wondering if the school could take that on as a school fundraiser instead of the PAC?
 - Nadine – Yes, I don't think anyone has an issue with that. We have little expenses this year.
- Quote for new mary-go-round. The quote is \$45000. Maybe we could access oil companies?
 - Nadine – We should get the fundraiser committee to look at different fundraising options. Kristy to email this quote to Kara Green. Then they can start the application process.
 - Kristy – We can choose colours and the school district will install it. I also have a request in for swings. Probably the same amount of money.
 - Kristen – We could look at auctions for playground equipment.

Treasurer (Kristen Kopetski):

- June 30th is our year end? Nadine did September to August.
- Nadine, Denise and Stephanie have signing authority right now – need to remove Stephanie and add Kristen.

Old Business:

- Purdy's fundraiser - \$1000 in sales so far which is about \$250 in profit. Our goal is \$3000.
- Litter Ceasers pizza fundraiser is set for the end of winter – Denise is organizing it.
- Gardening fundraiser happening in the spring.
- Covid protocol at the school hasn't changed.
- Could change meetings to Tuesdays if it's good for Denise and Stephanie.
- Kristen is working on the gaming grant.
- No lice checks this year from parents.
 - Kristy – If it becomes a problem the staff can do it.

New Business:

- Date of next meeting we'll keep for Thursday until we talk to Denise and Steph.
