

Nothing can stop us now

Walking the stage, shaking their hand goodbye.
Look past the cameras, see your future.
You did it, with the masks in low supply.
Like a bird, it's time for your departure.

Yes, you're scared, but you must face your fears.
Although, this year has been nothing but hell,
Take pride in all you've done these past twelve years.
Because this will be some story to tell.

Learning at home wasn't really that bad.
Teachers aren't happy about this either.
For all my best friends, I am truly glad.
And I hope no one runs a high fever.

COVID-19 won't leave without a fight,
And nothing will take away our grad night!

Congratulations from the Staff of Dawson Creek Secondary School
Good Luck in your future endeavors.

Dawson Creek Secondary School 2020 Graduation Ceremony

June 17th, 18th & 19th
Unchagah Hall

Graduation

One does not know what the future may hold!
The uncertain road leads to a life unknown.
What should be the next step, school, work, travel?
The connections made will they last or fizzle?
The world seems scary but, only one can hope!
Reality we will face in uncertain times.
Seeing our future with positive vibes.
Move-in a direction toward your dreams.
Let nothing hold you back, the world is yours!
Embrace the wonder of discovery.
Be bold, be courageous, be your very best.
There is no script, no rules, it's just your life.

Accomplish great things all you must believe
Graduation isn't the end, but life begins.
