Respectful, Responsible, Ready to Learn & Safe

Thank You!

A big thank you to all of our parents and students from the staff for your co-operation, persistence and dedication during our Continuity of Learning after the Spring Break! It has been a difficult and stressful time but we have managed together. We want you to know how much we appreciate your patience during this difficult time. We have appreciated your support and communication and hope to see everyone back in September. We will let you know in late August what will be happening. Stay tuned to the website!

**Office is closed for the summer
Ms. K. will be back the last week of August.**

Crescent Park Construction

The front of our school is getting an upgrade. You may have noticed the cracks in the sidewalk by the school and the state of the primary entrance stairs. We are getting that fixed and changing the look of the front entranceway. There will be a ramp to the front and the retaining wall will be removed. It will help to alleviate the drainage problem we have been having as well. Exciting well!

Aboriginal Recognition Awards

This year the annual celebration was canceled but students still received their awards. Many thanks to parents and teachers for helping this to happen. Thanks also to Mr. Heydens, who co-ordinated the awards as the Coach Mentor.

Honour Roll and Honour Roll with Distinction

We all know that there are many types of intelligence and we all learn differently. Some of us may have great talent and be excellent craftspeople or work well with machines, others are musicians, artists, dancers, still others have great ability with sports.

The following students have distinguished themselves academically. These students have worked consistently well during the year.

What does it take to be on the Honour Roll?

Honour Roll begins in grade 4. Students in grade 4 must have a minimum of 3 “A’s” and 3 “B’s” in English, math, science, socials, P.E. and art. In grade 5 it must be 4 “A’s” and 3 “B’s” and in grade 6 and 7 that increases to 6 “A’s” and 3 “B’s” and in addition to the previously named subjects French, careers and applied design and technology are added.

Honour Roll with Distinction is all “A’s” in the subjects named.

PARENT ADVISORY COUNCIL

A big “thank you” from the staff and administration to our amazing Parent Advisory Council (PAC) for their support during this time. Our last two meetings of the year were by Zoom since we could not meet at the school.

Through their persistence, grade 7 hoodies for 2019-2020 were given out during the first week in June. Thank you to all our members of the PAC and especially to the President, Crystal Hardy, who gave out hoodies in the parking lot. We appreciate all of you!

Be sure to stay up to date with the PAC News on their facebook page!

School Supplies

In September 2020, students will need:

- Inside shoes
- Backpack
- Lunch kit

All other items are covered by the \$40 school supplies fee for students K-7.

Have a wonderful summer!
