March 2, 2021

Dear Ecole' Frank Ross Parents and Guardians,

It is with great excitement that I am writing to you today to make you aware that the YMCA of Northern BC is in consultation with School District #59, Peace River South, regarding the potential opening of a before and after school care program at Ecole' Frank Ross starting September 2021.

As part of our planning for a seamless day for children, we want to ensure we are meeting the needs of families. Therefore, we are looking for information from each of you as to if this is a service your family would need, and if so, what are the hours of care that you would require.

The YMCA has a national school age curriculum, A Place to Connect. Our goal is to make YMCA Before and After School Care programs the most enriching places for school age children in Canada. Research shows that children flourish in programs that are structured to let them shape the program, by providing opportunities for choice and leadership with a focus on strengths and the development of skills and relationships.

As part of our next steps, we would ask that you kindly make the time to complete this questionnaire and return it to your child's teacher on or before Friday, March 12, 2021.

With appreciation and best wishes,

Lynette Mikalishen
Director, Child Care Services
Lynette.Mikalishen@nbc.ymca.ca

I would be interested in having my child(ren) attend before school care: yes / no (please circle)

I would need care to begin in the morning at: 7:00 a.m. or _____

I would be interested in having my child(ren) attend after school care: yes / no (please circle)

I would need care to end at 5:30 p.m. or _____

I would be interested in having my child attend full day care on Non-Instructional Days: yes / no (please circle)

I would like to be kept informed and have my child(ren) added to a potential waiting list. If so, please provide:

Email address _____

Age(s) of child(ren) _____
