Why did the cat sit on the computer? ***** To keep an eye on the mouse!

The PAC is purchasing an École Frank Ross t-shirt for every student in the school!

There will be an order form sent home on Monday, March 8 for parents to indicate the size and style of t-shirt each student would like. Forms must be returned to the school by Friday, March 12 so the orders can be placed over the break. There is a choice of black or red in both youth and adult sizes. Thank you to the PAC for outfitting our students in Bulldog gear! Look for more options available to purchase after spring break 😊

Ministry of Education - Student Learning Surveys

These surveys take place each year to gather information from education stakeholders; students, parents, and school staffs. The school district uses this information for strategic planning and it helps improve service delivery at the school level.

Each year we ask Grade 4 and 7 students to complete the surveys at school and we are asking now, if you have a child in Grade 4 or 7, to please complete the parent survey.

The survey can be accessed at the following link (this can also be found on the Ecole Frank Ross website)

www.bced.gov.bc.ca/sat_survey/access.htm

Please follow the Direct Access instructions. Surveys are open until April 30th, 2021.

École Frank Ross is now accepting registrations for Kindergarten. Registration packages are available on the website or at the office. You child must be born in 2016 and you must provide a birth certificate as well as proof of address for students enrolling in our English program. Please see our school website

<https://www.sd59.bc.ca/schools/cole-frank-ross-elementary> for information on catchment area rules and the School District Entrance and Admissions guidelines.

There are a limited number of French Immersion spaces available. Parents interested in registering their child in the French Immersion Program should register early. Students registered after our spaces have been filled will be placed on a wait list.

YMCA of Northern BC

The YMCA of Northern BC sent a survey home with all students this week to gather interest in the potential opening of a before and after school care program at our school starting September 2021.

The YMCA has a national school age curriculum, A Place to Connect. The goal is to make MCA Before and After School Care programs the most enriching places for school age children in Canada.

Please take the time to have a look at this survey (it's on our website if your copy didn't make it home). We ask that you complete the survey and send it back to the school by Friday, March 12th.

Daily Health Checks remain important in ensuring we keep everyone healthy. Please make sure your child is feeling well before sending them to school. Please visit our website for the most up to date Covid-19 information.

There will be a zoom meeting for anyone interested in helping with the Walk-a-thon fundraiser on Monday, March 8 at 3:30. The next regular PAC meeting will be Tuesday, April 20th, also via zoom. Please email Angelina at angelina.schurmann@yahoo.ca and use 'zoom' as the subject to receive the link for both meetings.
