The 7 Teachings at Parkland Elementary

It is said that the original elder was given gifts of knowledge that he received from the seven grandfathers when he was just a child. These gifts have since been handed down and passed on to the younger ones as they are learning. Many indigenous families follow the teachings of the seven grandfathers to help live in balance and harmony.

In June we are focusing on the Beaver which represents Wisdom.

The Leadership Group at Parkland Elementary took on the "Bee Yourself" display challenge and created this gorgeous bulletin board. We are so proud of their work!
