PAC NEWS!

January hot lunch forms are due December 17 at noon, late forms will not be accepted.

Hot lunch forms were e-mailed; if you need a hard copy, you can grab one from the office.

Ms. Holland's Grade 6/7 class has been learning about how people in some countries walk many miles for water daily or only have access to unsafe water conditions. The class has decided to do a fundraiser to collect donations to help communities have access to the basic need of water. Even a dollar makes a difference so please bring donations and help us reach our goal! Thanks

Polar Bear Club

Permission forms went home earlier this week for our Polar Bear Club. This is optional for the students even if you sign the form, it is up to them. They will need to be dressed appropriately (snow pants, jackets, gloves, toques and winter boots) or they will not be permitted to go outside. We will **not** be going outside if the wind chill is below -30.

Thank you to Farm Credit Canada for their generous donation to our breakfast program!
