Please leave a message if no one answers  
and we will get back to you as soon as  
possible. We will still be receiving email  
sent to her email address to advise us if  
students are away.

Please ensure that all after school  
messages are delivered by 2:15 so we have  
time to let students and staff know of  
changes before the end of the day.

# LIONNYY NEWS

Welcome back to school everyone! The library is up and running. We started the year with library orientations where each class came to the library to go over rules, routines and complete a scavenger hunt to become reacquainted with the different parts of the library. The students also made bookmarks which were laminated and can be used throughout the year.

Every week your child will have access to the library to take out books. Please make sure your child's books are kept in a safe place and returned every week.

The library home reading incentive program is up and running. A letter and reading log has been sent home about the program. When your child completes the reading log, they may bring it back to school, receive a prize and participate in building a lego model of our school.

This year we will be hosting a book fair in November. A note will be sent home with information about the book fair when it gets closer to the date.

If you have any questions about the library or your child's books, please don't hesitate to call.

Thanks,  
Sharon Neumann
