

Canalta Elementary School

Principal Jennifer Sutherland & Vice-Principal Catharine Leroux

Friday Notes: January 6th, 2022

We respectfully acknowledge that our school resides in Treaty 8 territory in which we live, work, learn and play.

WELCOME BACK STUDENTS & STAFF

We hope everyone had a restful and rejuvenating break. We look forward to continue our learning this winter.

Allergy Aware School

Please

for the safety of our
students
and staff!

Bus Safety

The Transportation Department is reminding all students to have appropriate winter clothing when they ride the school bus. In winter driving conditions, it is important to always be prepared for the unexpected. This is to ensure the safety of all school bus passengers if there were to be any delays while the bus is on route.

Student Learning Survey

Students in grades 4 and 7 will be completing the Student Learning Survey in early February. More information will follow.

Dates to Remember

Early Dismissal Days

Moving Day!

We are excited to announce that today is the official move into the portable day for Mrs. Koomen's grade 5/6 class.

Classes will be able to resume using the gym for physical education. Thanks for everyone's understanding and support this fall. Classes have been meeting Physical Education outcomes through outside PE and physical activity in the classroom. We are all excited to be back in the gym.

WEATHER

We go out as often as possible. Please remember to dress for the weather!

MDI

(Middle Years Development Instrument)

Students in Grades 5 and 6 will be participating in the MDI this February. Information about the MDI went home with students in grade 5 and 6 in December.

The MDI is a BC created self-reporting questionnaire that asks children about their thoughts, feeling and experiences in school and in the community. We can use this information to continue to improve students' experiences at school.
