January 6, 2023

## ~ IMPORTANT DATES ~

~ Friday, January 6 – Munch –  
Subway

~ Friday, January 13  
- Munch- Tim Hortons  
- Jersey Day

~ Friday, January 20 – Munch -  
Beans and Barley

~ Friday, January 27 – Munch -  
Edo Japan

Friday, February 3 – Non-  
Instructional Day

Students will be participating in more winter activities, such as snowshoeing and x-country skiing, as part of PE programs. Also, play happens outside for recess times and other outdoor learning in the winter. Please make sure to send students with all their winter gear each day. We also have some boots and gloves to give to students available at the office.

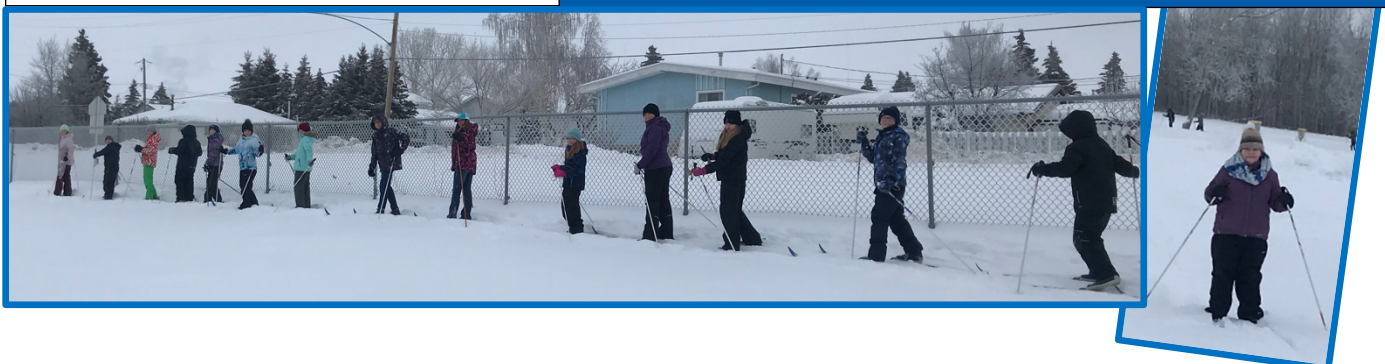

École Frank Ross will be accepting registrations for Kindergarten starting on **February 1, 2023**. Kindergarten registration packages are available on the website or at the school office starting Monday. Your child must be born in 2018 and you must provide a birth certificate as well as proof of address for students enrolling in our English program. Please see our school website <https://www.sd59.bc.ca/schools/ecole-frank-ross-elementary> for information on catchment area rules and the School District Entrance and Admissions guidelines.

There are a limited number of French Immersion spaces available. Parents interested in registering their child in the French Immersion Program should register early. Students registered after our spaces have been filled will be placed on a wait list.

## JERSEY DAY

*Friday, January 13 wear your favorite Jersey!*

Tombola is planned for the evening of March 9, 2023. This is an evening of carnival games, open to all students. French Immersion classes will be helping to run the games. If you would like to volunteer for this event, please see Mrs. Regner or Mme Heily.

We are looking for gently used toys that can be used for prizes such as the prize table and the fishpond. This is a great way to clean out your toy supply after Christmas! Please bring in your toys to the office.

Follow us on Facebook at Canadian Parents for French Dawson Creek.

During this term, students in Grades 4 and 7 will be participating in the Ministry of Education Satisfaction Survey. Also, students in Grades 5 and 6 will be participating in the Middle years Development Index (MDI) survey. These surveys provide the school and district valuable information about children's school experience, areas of strength and concern that help support planning.

Student volunteers are making each day better at EFR! We have some students working as office monitors over lunch. In addition, there are lunch monitors in the Kindergarten and grade one classes. These students work hard each day to help younger students with lunch Kit items and encourage polite eating. Our older students are really showing lots of positive Bulldog traits this year. THANKS!

As you know, we have been working on providing food to students that are hungry. We have some extra funding this year from the Ministry of Education and Child Care, and we are using this combined with the fundraising that YOU do through our PAC to provide some options.

**Little Lunch Boxes** - Thanks to our PAC volunteer for doing the all the shopping for this program. Each class has a small container of non-perishable food that students can access at any time if they need food.

**Breakfast** - we are putting out fruit and another item each morning after the bell rings.

**Hampers** - Thanks to the donations you made to the food drive our grade 6/7 class put on, we do have some hampers that can be picked up. Contact the school if you would like one.
