

May 15th Weekly Newsletter

Good morning and Happy Mother’s Day!

It is going to be a super-hot week weather wise. The highway garbage clean-up scheduled for Monday for the Grade 7 class is going to be postponed. Stay tuned for a new date.

Some students have been bringing sunscreen to school. This is great but please make sure they know how to put it on. They should be putting it on when they are still inside, and it should go right back in their backpack and not out on the playground with them. Hats and sunglasses are also a good idea for this week.

There will be pizza sale on Monday.
