Dear Parents,

I have shared with the students that I decided to leave Pouce Coupe Elementary to accept a teaching position at Crescent Park Elementary. While I have enjoyed my four years here, I am looking forward to new opportunities.

I am very sad to be saying good-bye to the many people I've met and worked with over the years, especially the wonderful students. I am proud to be part of the team to see the expansion of our school, addition of a school garden, and expansion of our Breakfast Club program. I am also very proud of the growth I have seen in the students over the years.

The new principal will be Ms. Kristy Rose. She has been the principal at Parkland Elementary for the past four years and has taught at Pouce in the past. I know you will make her feel welcomed at this amazing school.

Sincerely,
Amanda Bricker

Report cards will be sent home on the last day of school, Thursday, June 29. If your student is not at school that day, report cards can be picked up on Friday, June 30.

Please let the office know if you are moving, if you know anyone moving into our catchment, or if you are planning on coming for kindergarten and not yet registered.

A reminder that the school parking lot and bus lane speed limit is 10 km/hr. Please adhere to the posted speed even after the bell rings as we have classes that go in and out throughout the day.

School Supplies

We are waiving school supply fees for the 2023-24 school year. Please do not send any school supplies, unless specifically asked to by the teacher in September. All students will require a pair of non-marking inside shoes and a box of Kleenex.
