

Family Weekly Memo

Sept. 18-22, 2023

Pizza sales are back! On most Monday's we sell pizza by the slice for 3.00 a piece. Students need to bring money on Monday morning and their order will be placed with their classroom teacher. They can choose between cheese or pepperoni. Orders will be placed by 10:00 am so if students are later arriving at school they may not get pizza. This is a fundraiser that helps our school pay for bussing to go on field trips. It will be ongoing throughout the whole school year. This is separate from Friday hot lunches. They will be starting soon.

Our first PAC meeting of the year is on Sept. 19th at 6:30 in the kitchen. Childcare is provided by some of our older students in a room close by. Please let the school know if you need childcare so we can make sure we have enough older students on hand. These meetings are a great place to get to know other parents as well as helping with fundraising, special event planning, and learning about your child's education. The school district trustee is invited as well as the principal and a teacher.

We will be having our first fire drill on Tuesday. This is where the students practice leaving the school in case of an emergency. It is very important that all students have indoor shoes for this reason.

We are monitoring the smoky skies closely. We are provided with an update each morning with guidance on having an indoor or outdoor day. Please let us know if your child is extra sensitive to the smoke.

Plans are in the works for a meet the teacher event. Please stay tuned for details. In the meantime, if you need to connect with your child's teacher please call the school and we can help with that.

A reminder that supervision at school does not start until 8:20. Students should not be dropped off before that time. There is no one outside to watch them until 8:20.

This week:

Monday Sept. 18th Pizza Sale (3.00 per slice)
