## Mme Lauzé’s Library Corner

Dear Parents,

I would like to take this opportunity to thank our students, families, PAC and district personnel for their contribution to another successful book fair. Our library will have brand new books for students to borrow and new resources to promote learning.

Please continue to participate in the home reading program . We are offering prizes such as book bucks that can be redeemed at the next book fair in the new year, goodie bags and participation in a monthly draw. If you need a new reading sheet, please let me or your classroom teacher know.

Also, students with good library standing will be allowed to borrow more books over the Winter Break as this is a great time to dive into some good books! Thank you.

Mme Lauzé
