**“We wish everyone a safe and happy holiday!”**

## Indigenous Voices

At CSS we have had students promoting language by placing some Cree words and phrases around the school. Also, we had many First Nations' crafts at our recent winter market. We also celebrated sharing oral traditions and storytelling in Ms. Dixie's English First People's course. The library is getting a makeover with culture woven throughout. There is a lot of First Nations' inspired artwork being led with Wayne's guidance.

Basketball Success at CSS!

## Sports' News

At CSS we played hard on the court during a few basketball tournaments. Our team is proving to be a challenge for any adversary. The boys and girls teams have been winning many games and proving their skills. The teams are thankful to have amazing coaches from school and the community including Jaslyn Dhaliwal, Andi Rivard, CSTL Brendan Laird, and Jess Daigneault. Thanks for everything you do!
