

Family Weekly Memo- Jan. 8-12, 2024

Good morning and welcome back to routine and structure after our lovely 2-week break! It looks like winter has decided to arrive with a vengeance. Just a reminder that we have students playing outside until the temperature reaches -20 so students need to have full winter gear at all times. This includes lined boots, a warm jacket, snow pants, toque and mittens or gloves. When students are inside because of cold weather they remain in their classrooms under supervision. We need some activities to keep them busy, such as Lego, playdough, puzzles, board games, etc. If you have any of these things at home and would like to donate we would appreciate it. We are also low on spare gloves/mitts. We have extra toques, snow pants and jackets but need mitts or gloves.

We will resume our pizza sales tomorrow. Our pre-ordering did not work the way we wanted so we are going back to ordering on the day of. Please send money to school with your child tomorrow if they want pizza. You may still e transfer for pizza to dtms@sd59.bc.ca In the memo box please include the child's name, how many pieces and what kind they want (cheese or pepperoni).

I am hopeful that the two weeks away from school and the cold weather will help ease the spread of germs that have been affecting our students and staff. Just a reminder that we ask that students be fever free for 24 hours without medication, be vomit or diarrhea free for 24 hours and not have any greenish runny noses before they return to school.
