

Family Weekly Memo- Feb. 26-Mar. 1, 2024

Three weeks until Spring Break! Time is really marching on.

Kiddos will be caught off guard by this cold weather. Please help ensure they have proper winter gear to be outside. They are outside for 40 minutes in the morning and 30 at lunch time if the temperature is above -20. This has been a real struggle for our students this year as the temperature has been so up and down. We have many who are using the breakfast program as a warmup place and then they are not wanting to leave after their food is finished. Please talk with your children about the importance of following the rules. When they linger in the breakfast room it means that other students are waiting outside for their turn. They also need to make sure they are not hanging out at the front door of the school because all the adult supervision is out on the playground in the mornings.

If you have not confirmed a time yet for your student led conference on Wednesday or Thursday, please contact your child's teacher. **School ends at 1:38 on Wednesday and Thursday.**

Last week was the beginning of a new Hot Lunch menu. There were VERY few orders for lunch last week. Please check previous emails for the menu and how to order on Munch a Lunch. Contact the school if you would like paper order forms sent home.
