

Family Weekly Memo- March 11-15, 2024

Here we are, in the last week before Spring Break! I can't believe how quickly this year is flying by.

This week we will NOT have pizza sale on Monday.

If possible, could you please send a bag to school with your child early this week so they can use it to bring home all their Term 2 work and treasures.

We will be sending home care packages on Friday with all students who express interest. If your child comes home with some yogurt tubes, cheese strings and granola bars, it is because the Feeding Futures fund is providing some snacks for students over Spring Break. If you would like a care package, please let me know and we will ensure your child brings one home.

Our "homework club" has not been very popular this year with students so we are extending it to create an Art club as well. There will be a sign-up sheet so that all students who are interested will have a chance to take part. This will begin tomorrow. Students will be provided with materials and technological support to enhance their art skills. This takes place daily in the library at 8:30 am.

Sports Club is done for now. We will re-visit after Spring Break and see if students are interested in continuing. Thank you so much to Brittany Brewster and Ms. L for facilitating Sports Club for our students.

On Friday the PAC is providing free hotdogs for the entire school. We will be celebrating Dr. Seuss day on Friday. Activities are still to be determined but it will be a fun day ending with Dr. Seuss movies in the afternoon. Students are encouraged to dress Dr. Seuss on that day. I expect we'll see a lot of Thing 1 and Thing 2's!
