Wednesday April 10- Report Cards go home

Science World- Science world is bringing a presentation on Forces to our school on March 13th from 1:05pm to 1:50pm.

Fantastic Forces: Experience push, pull, lift, friction and drag — some of the fantastic forces that affect our lives every day. See amazing demonstrations like the Rubber Chicken Slingshot, the Giant Tablecloth Pull and perhaps a rocket launch or two. Recommended for grades K–7.

Skills Competition

In February, six Pouce Coupe students were invited to attend the Regional Skills Competition at the Northern Lights College. They spent 3 hours building spaghetti bridges. At the end of the event Maddox and Traice placed 5th and Jaxon and Theo placed 4th out of about 30 teams from 7 different schools. Congratulations!
