

Parent Communication In Mrs. Dueck's Absence

February 20, 2024

For the time being during Mrs. Dueck's absence parents should continue to keep all the regular lines of communication open. This will be the quickest way to continue to find answers to your important day-to-day questions. Please, continue to direct emails or phone calls to Mrs. Jans in the office or your children's classroom teachers just as you have been all school year.

The Teacher In Charge and School Staff will continue to deal with specific complaints and student interactions as part of our day-to-day management. This continues to be much in line with how we have managed my absence during monthly meetings. The current schedule for Teacher in Charge will be: Monday/Friday = Mrs. Doornbos, Tuesday/Thursday = Mrs. Boisvert and Wednesday = Mr. Leroux.

Should parents have specific questions regarding their own children, wish to express a concern, or voice a complaint, Paul Chisholm is our board office representative. The phone number for the Board Office is 250-782-8571.

Our staff will work to address concerns in a timely manner. We encourage parents to share their concerns with an open mind, understanding it is our intent to maintain a safety, orderly, and welcoming learning environment for students, staff, and guests.

Mrs. Dueck wishes to express gratitude to the staff for maintaining the smooth and safe running of the school in her absence. Of course, the education, security, self-esteem, and making of wonderful memories together for all of our students and community members are our ultimate goals.

Mrs. Dueck is hopeful to get back to work at the school as soon as possible. She is eager to see everyone again very soon.
