CITY OF DAWSON CREEK ONLINE SURVEY

Inspiring the Future: Make Your Voice Heard

School District 59 is one of a group of local organizations working alongside the City of Dawson Creek Mayor's Office as part of a Youth Round Table. The focus of this group is to spread more information about programs and services available for youth in our community. The group is looking for input from children and youth in Dawson Creek through a quick online survey. The information collected in this survey will be used to guide the decisions of this specific group moving forward.

Please take some time and have your child/youth answer 4 quick questions about their interests and where they access information about activities in Dawson Creek (or answer the questions with your child depending on age). The survey is for children/youth from ages 6-19.

The survey is now open! It will remain open until April 23rd. Survey
