ELECTRONICS AT SCHOOL

Dear Families,

With the weather getting nicer we have noticed that students are bringing electronic toys to play with outside. We would like to ask you to keep electronic toys such as remote-control vehicles and helicopters at home. These items are expensive, can be broken easily, and can cause hard feelings when you don't get a turn. Also, some of these toys are quite fast and when they are zipping around, they pose a safety concern to unsuspecting bystanders.

Thank you for helping keep everyone safe at Crescent Park.

CENTRAL VISIT

On Monday, May 27 the grade 7 students will be going on a visit to the Central Campus of South Peace Sr. Secondary.

FREE PIZZA

Thank you to the Sander Rose Bone Grindle LLP Accounting Firm for providing free pizza to the entire school on Monday, May 13!

PARKING LOT

There have been complaints about people parking between the concrete barriers and the school. This is a no parking zone. Please park on the street side of the barriers.

SMILE COOKIES

Thank you to Jaron Neufeld and Sander Rose Bone Grindle, LLP Accounting Firm for their donation of Smile Cookies to the entire school. We really appreciated the happy cookies! 😊
