FSA's

What is the Foundation Skills Assessment (FSA)?

The FSA is a learning assessment for all grade 4 and 7 students. It focuses on the areas of literacy and numeracy.

Why is the FSA important?

The Ministry of Education and Child Care sets the standards for what your child learns and, along with teachers, figures out ways to measure how well they are learning. The goal is for your child (and all students in BC) to get a great education that readies them for life after graduation and helps them become educated citizens.

2024/2025 Administration Dates

- **Assessment Administration in Schools runs from: October 1 – November 08, 2024**
- **Scoring and Score Entry Deadline: December 06, 2024**
