The PAC is once again offering the Stofers Art Fundraiser to parents - the deadline to submit orders is Friday, November 15. Please have all your orders into the school by that day.

Volunteer Thank You!

We wish to thank the many parent volunteers that have signed up to help our school. A reminder that volunteers need to have a valid School District Police Information Check (that is valid for three years) and a completed yearly volunteer registration form. Both forms are available from the office or on our website. Occasionally there may be a class that is short volunteers for special events like a field trip. If you are a volunteer that may wish to offer up your time to classes other than your child's class, please let us know and we will pass your name on to other teachers. Also, we sometimes find it hard to have a volunteer with current first aid join our field trips. If you have your first aid and would like to offer to help that way, we would be happy to have you!

The Reading Program has started in the library - official start date was Oct. 15, 2024. All students should have gone home with the first sheet, if you need to print it at home, please see the next page.
