Mr. Bricker and Mrs. Vezina's Classes At Gwillim Lake!

Last week, Mr. Bricker and Mrs. Vezina's classes got to spend three days and two nights at the Pat O'Reilly Outdoor Environmental Studies Center located at Gwillim Lake. Students had the opportunity to hike, canoe, rock climb, play GaGa Ball in the GaGa pit, and enjoy some time telling stories and drinking hot chocolate around the fire. A big thank you to the volunteer parents, Ms. Bedell and Mrs. Robinson.

Kindergarten Registration

We are now accepting Kindergarten registrations for the 2025-26 school year. Please call or drop by the office to pick up a registration package. When registering your child, you will need to provide your child's birth certificate, health care card, and proof of residency.

SD59 Transportation Department Notice

The Transportation Department is migrating to new routing and planning software. The new software (Traversa) automates many previous manual processes including tracking and managing fleet operations, dispatching and assignment of tasks to drivers, real-time notice of interruption of routes, and attendance tracking.

In September 2025, **students will be issued an RFID card** which will be swiped by the student when loading and unloading buses. This will improve service, safety, communication and efficiency for students, drivers and Transportation Department administration.

Individuals may also view the public presentation that was presented in the April Board Meeting. Please contact the Transportation Department at 250-782-2106 if you have any questions or inquiries about the system.
