COLD WEATHER

As the weather is beginning to get colder, it is recommended that students come to school with a jacket, toque and mitts so they are able to stay warm and enjoy recess.

Tremblay Focus Groups

Our focus groups start again on October 7th and will run Tuesday and Thursday afternoons from 1:35 to 2:25.

Tremblay Cross Country

We are so proud of our Tremblay Elementary students who are participating in cross country this year! They have been working hard and doing an excellent job, with several students placing in recent races.

On October 1st, Tremblay is excited to host a meet—come out and cheer on our athletes! Students who participate in at least one race are eligible to attend the District Race on October 15. As this event takes place during school hours, participating students must see Mrs. Vezina for a permission form.

Go Tremblay runners!

A note from PAC:

(Parent Advisory Council) is the officially recognized collective voice of parents of their school. PACs are forums within each school community to discuss matters affecting your school and the education of your children. Parents' voices are a tremendous value to their school. They offer a wealth of ideas and support in the challenges that face all public schools. PACs strive to represent the diversity within their communities and contribute to the benefit of all students by providing opportunities to educate and inform parents about the school. PACs involve parents in volunteer activities and openly discuss parents' concerns and aspirations for their schools. There are PAC positions available for Tremblay Elementary. Please contact Jessica Pohl, PAC President for more info.

The next PAC Meeting is Oct 22 at 6pm in the school library. Participants can also join over Zoom.
