News from the Library

Home Reading Program – Exciting News!

So far, we have had 30 students participate in the home reading program.

Reading logs were sent home in September and are given out to students as needed. Please encourage your child to read at home, fill in their reading log and return it to school. We have some great prizes to give out.

Book Exchanges

All book exchanges have now started. The students in kindergarten and grade one can take out one book each week and students in grades 2 through 7 are welcome to take out three. Please have your child keep their books in a safe place so they know where to find them and they are away from spills, dogs, cats, etc. Please remind your child to return their books every week to exchange or renew them. Thank you!
