Students performed the play 'Blanche Neige'

Happy holidays from our family to yours!

The yearbook theme chosen for this year is 'Chetflix' or some theme based on Netflix, Netflix colours, movies, and hopefully you get the idea. The students are excited and that is the main thing! We had flower sales and chocolate sales that supported our grad and sports' teams. We had some spirit week events like pajama day, alien day, and bring a stuffie day. All good fun and the learning never stopped. The Senior girls played an awesome tournament in McBride with 3 wins! The Senior boys volleyball team made their way to Abbotsford for the provincial tournament. They were first place in their zones tournament and the MVP was Keegan D., with all stars: Phinn Cameron, Jake Rainey, and Scott Ethier.
