Important

Let The Office Know if You Are Away or Late

It takes time for Mrs. Hilderman to track down students who are away, have not signed in or out or have not let her know that they are not riding the bus at the end of the day. Some days there are over 50 students she needs to track. Please let the office know if your child is going to be away, late, not riding the bus (as well as notifying the bus garage), or has someone not on their contact list picking them up. Messages can be left at 250-782-8403 or sent to Canalta@sd59.bc.ca

Thank you to everyone who has been letting us know about changes in advance.

Ministry of

Child Care

Grade 4 & 7 Students

The Provincial Student Learning Survey is unique in its scope, size and usefulness to schools. It gathers information from parents/guardians/caregivers, teachers, and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

If you are a parent of a Grade 4 or 7 student, watch for more information in the upcoming weeks on how to complete the parent survey. Students in grades 4 & 7 will be completing the student portion of the survey next month.

Check out the school Code of Conduct on the school website.
